CORPORATE STADIUM HIRE

Stadium Hire

The pictures above are of our main stadium 'Meadow Park'. We have among the best pitches in non-league football, being nominated for The FA Pitch of the Season Awards for the past six seasons.

For corporate events, cup finals, stag do's or even groups of friends wanting to play a game on a pitch to remember, our stadium is the perfect setting. It is a Grade 'A' Conference grounded stadium, with a 500 spectators seated stand and an overall capacity of over 4000 people.

Our changing rooms are also top of the range, having spent over 100k renovating them in 2008. At your request, we can provide a kit and professional kit man for the day, who will lay out all your kit and have drinks ready before the game and at half time. After the game we can provide you all with deodorant's, shower gels and hair products.

We can also provide a PA announcer who can read out all your names before the game and when you score, as well as play music of your choice before the game, after goals and at half time... to really add to the atmosphere and make it a day or evening to remember!!

Please note hire of the stadium also includes use of the Gallery Suite for an after event private suite.
