DANNY HUNTER

This evening we welcome our very good friends from FC Halifax Town to the Mangata Developments Stadium Meadow Park. We hope you have an enjoyable stay with us and a safe journey home.

Well November has pretty much come and gone and it's produced yet another very positive month for the club in terms of our league position, our cup results and all things in between. It's also been a positive month for our medical team, as it's seen two key players recover fully from long term injuries. Possibly more impactful, we have made two great loan signings, in Ted Curd from Chelsea, Regan Booty from Barrow and improved our squad hugely with the permanent signing of Mr Zak Brunt.

On the down side, November will end with our South End planning application being delayed once again. It's nobody's fault but mine, as our planning application was submitted on time by my consultant, but it lacked two very important transport and flood risk reports and with my experience I should have picked up on that. These reports have of course been commissioned as a matter of urgency and will be completed and submitted, but it means the planning application cannot be heard until January 2026.

On the bright side it's been a fabulous month on the pitch and could end up with us sitting just two points off the leaders or even better by this evening. Throughout the month we've played some incredible football, scored some incredible goals, built on our good start to the season and got ourselves to the 2nd Round of the FA Cup by battering EFL 2 club Crawley Town 3-0. That victory has set up an FA Cup 2nd Round encounter with another EFL 2 club in Newport County and so we finish November in great spirits.

Tuesday saw us gain a deserved, if rather late, 4-3 win against Leicester City's under 21's, which barring a melt down against Wolves next Tuesday, means we've progressed into the last eight of the National League Cup. This is a competition that we are really enjoying and it's one that we believe we can win.

In December, we'll once again begin our annual journey in the FA Trophy, which is another competition we do traditionally target, but for years have always fallen short. This season will be no exception in regard to our ambitions and we have drawn Brackley Town at home. Though it's a tough draw, it is a home tie and it does offer a realistic chance of us getting to Wembley, as it does for all

National League Clubs.

Please note; entry prices for our home FA Trophy game are discounted, as are our National League Cup home games. Our season ticket holders get free entry to all home NLC games, so we hope as many of you as possible will attend next Tuesday.

Back to today and as always Halifax will be difficult opponents to overcome, that said if we want to keep pace with the big boys, then winning this evening is all part of the challenge. We come into the game with a fully fit squad, with confidence and with a mentality that fills me with optimism.

Whoever you support, let's hope for an open, attacking game and may the best team win.

Take care

Danny

LIKE GARD

Good evening, firstly I would like to welcome Adam Lakeland, his Staff and Players to Mangata Developments Stadium for tonight's National League fixture.

Halifax are a side who year on year have been very competitive within the division and they are very much following suit under the stewardship of the newly appointed Manager.

Having taken the reins in June of last year he was very proactive in recruiting personnel to complement an already very settled squad.

Bringing in the likes of experienced centre half Shaun Hobson who knows the level well and was a part of the Oldham side who won promotion last campaign via the Play Offs.

He also dived into the National North market bringing in Will Harris who is a very accomplished striker at that level and has already shown he can be as productive a league up with a goal every other game.

We know what strengths Halifax possess and we are very aware of the areas we need to exploit, their recent run of results have not been as favourable as their early season return but we know we have to play to our maximum to maintain our current run of form and make sure we get maximum points this afternoon.

This is our last National League fixture for near on three weeks, so the emphasis in getting a win is huge as we go into the FA Cup and FA Trophy for our next two weekends.

Solidifying our play-off position and staying with the pack will be important and ensuring we have a minimal points deficit when we return to league action here against Carlisle on December 21st.

Our game away on Saturday against Gateshead showed another side to us, a grit and determination to dig in with 10 men and a level of togetherness I knew we had and that was evident all match.

To go and record a 3-0 away win from home is impressive but to get 2 goals after losing a player shows the quality we have within our dressing room.

Obviously there was frustration once again with our return in front of goal as we had many opportunities to increase the score line, thankfully we took our chances in the second half but the group is fully aware of how important it is to have more ruthlessness in the final third.

We backed up our great win on the road with another important win in the National Cup on Tuesday Evening against Leicester.

This fixture allowed for me to get much needed minutes into the whole squad and engage players who currently haven't been getting the game time they would like.

To go and win the game in the manner in which we did shows the strength and depth we have available and that at any given stage when they are called upon they will be ready to take the baton and have a seamless transition into the group.

Back to today, we now have the opportunity to record our fourth win in our last five league fixtures which will breed even more belief into the group.

These habits of winning matches will bode us well as we start a hectic next few weeks and having the confidence to attack every competition we currently find ourselves in will be the main focus.

We have been a side that has been taking games by the scruff of the neck and that's the messaging we have been delivering on continuous basis and we want sides to know they are in for a game whenever they face us.

Keep giving us the energy with your support, you've been brilliant home and away and it's now time for you to really back us with creating an atmosphere like no other.

Be Loud, Be proud, B'WOOD

Enjoy the Game.

Luke

Position: Forward

FC Halifax frontman Will Harris joined the Shaymen in the summer following spells with Sunderland, Barrow, Gateshead, Spennymoor Town, and Scunthorpe United. A product of Hebburn Town and Burnley, the 25-year-old strike gained senior experience with early non-league loans before making his professional debut with Sunderland in 2021. Now leading the line for Adam Lakeland's side, Harris has been prolific so far this campaign, scoring seven league goals, including a recent hattrick against Solihull Moors.

9 March 2024 // 15:00 // National League

Boreham Wood slipped to a damaging defeat in West Yorkshire, falling 2–1 to play-off chasers Halifax Town.

The hosts struck early when Rob Harker hit the post and Florent Hoti reacted quickest to turn in the rebound. Halifax controlled much of the first half, with Nathan Ashmore keeping Wood in the game as the visitors struggled to find rhythm despite a couple of half-chances for Lee Ndlovu and Angelo Balanta.

After the break, Boreham Wood grew into the contest, forcing Sam Johnson into several saves through Chris Bush, Cameron Coxe and Kabs Tshimanga. Their persistence was rewarded on 77 minutes when Tom Whelan's hanging free-kick was superbly headed in by Ndlovu. But the relief was short-lived. Just three minutes later, Tylor Golden was brought down in the area, and Luke Summerfield converted the resulting penalty to seal Halifax's win.

Football historian LEIGH EDWARDS profiles ten post-war Halifax Town goalscoring favourites

CONWAY SMITH

Inside-forward Conway Smith topped Halifax Town's goalscoring charts in two consecutive seasons. The son of former Huddersfield Town and England star Billy Smith, he turned professional with Huddersfield in May 1945 and gained top-flight experience with his hometown club before moving to QPR in March 1951. Leading marksman in five successive seasons, he joined Halifax in June 1956. He was ever-present in 1958-59 and netted 73 goals in 179 League games for the Shaymen. Moving to Nelson in June 1962, he later worked in the Rent Office of Huddersfield Corporation Housing Department until suffering a fatal heart-attack in March 1989.

FRANK LARGE

Centre-forward Frank Large was Halifax Town's top scorer in three successive seasons. Given his League debut in Halifax's 1-1 draw at Wrexham two months before turning professional in June 1959, he was ever-present in 1961-62 and netted 50 goals in 134 League games, moving to QPR in June 1962. He joined Northampton Town in March 1963 and helped to clinch the Third Division title that season, then played for Swindon Town, Carlisle United and Oldham Athletic prior to rejoining Northampton in December 1966. Later at Leicester City, Fulham, Northampton again, Chesterfield and Kettering, he became a gamekeeper in Ireland and died in August 2003.

BILL ATKINS

Striker Bill Atkins was Halifax Town's leading marksman on five occasions, including 1970-71 when the Shaymen narrowly missed

promotion to the Second Division. Signing professional for Aston Villa in May 1958, he moved via Swindon Town to Halifax in August 1965 and was swapped for Stockport County's Dave Shawcross in March 1967. He was top scorer in 1968-69 and had a spell with Portsmouth prior to rejoining Halifax in November 1969. Netting 71 goals in 199 League games overall before moving to Rochdale in December 1972, he then played for Darlington and ran his own bakery in Keighley for over 30 years.

LES MASSIE

Scottish striker Les Massie was top scorer in 1968-69 when Halifax Town won promotion for the first time and his goal took Stoke City to an FA Cup fourth round replay. Moving from Banks O'Dee to Huddersfield Town in August 1953, he was leading marksman three times prior to joining Darlington in October 1966 and moved to The Shay in June 1967. He netted 41 goals in 89 League games for Halifax before joining Bradford Park Avenue in August 1969, then played for Workington, Bradford PA again, Selby and Drogheda. Settling in Huddersfield, he spent 20 years working as a machinist for Holset Engineering and died in November 2020.

BOBBY DAVISON

Striker Bobby Davison was ever-present top scorer for Halifax Town in 1981-82. Signing professional for Huddersfield Town in July 1980, he joined Halifax in August 1981 and netted 29 goals in 63 League games before moving to Derby County in November 1982. He starred in two consecutive promotion campaigns and was leading marksman six times before sold to Leeds United for £350,000 in November 1987. Featuring in

their 1989-90 Second Division title campaign, he was loaned to Derby, then joined Leicester City in August 1992. He later appeared for Sheffield United and Rotherham United, since coaching at Guiseley and Bradford City.

STEVE NORRIS

Ex-England Semi-Pro international striker Steve Norris was Halifax Town's leading marksman with 30 goals in 1990-91. He played for Coventry Sporting, Bedworth, VS Rugby and was an FA Trophy finalist with Telford prior to joining Scarborough for £50,000 in July 1988. Moving to Carlisle United in December 1989, he joined Halifax in October 1990 and netted 35 goals in 54 League games before joining Chesterfield in February 1992. He scored twice as they drew 4-4 at Liverpool in the League Cup second round first-leg in 1992-93 and was top scorer three times. Later with Worcester City, he then ran his own beer distribution business in Chesterfield.

GEOFF HORSFIELD

Striker Geoff Horsfield was leading marksman in Halifax Town's 1997-98 Conference title triumph. Signing professional for Scarborough in July 1992, he had spells with Halifax, Guiseley and Witton Albion before rejoining Halifax in October 1996. Netting 46 goals in 83 Conference/League games prior to joining Fulham for a club record £325,000 in October 1998, he was top scorer in their 1998-99 Second Division title success and moved to Birmingham City for £2,000,000 in July 2000. He appeared in the 2001 League Cup final and was a promotion winner in 2001-02, then played for Wigan Athletic, West Brom, Leeds United and Leicester City.

JAMES DEAN

Striker James Dean scored a club record 40 goals for FC Halifax Town in 2009-10. Initially at Great Harwood, he played for Clitheroe and Northwich prior to joining Bury in August 2007. He then had spells at Stalybridge, Hyde United and Harrogate Town. Moving to Halifax in July 2009, he helped win the Northern Premier League title in 2010-11 and joined AFC Fylde in May 2012. He moved to Chorley in September 2013 and was top scorer in their 2013-14 Northern Premier League title triumph, then played for Warrington Town, Padiham, Trafford, Padiham again and Bamber

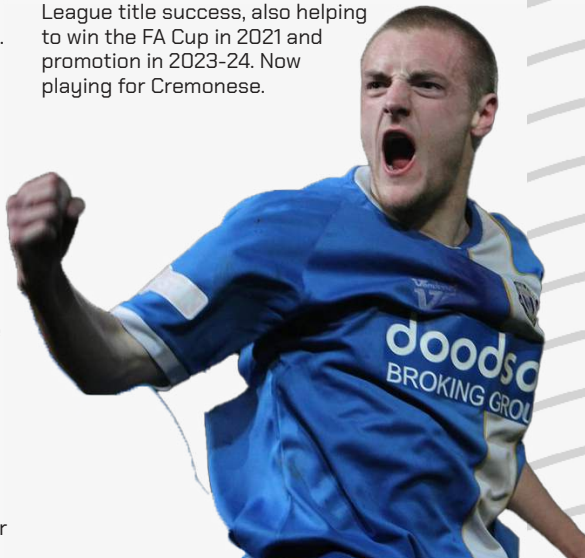

Bridge. He drowned in a tragic accident in Oswaldtwistle in May 2021.

LEE GREGORY

Striker Lee Gregory starred as FC Halifax Town won promotion from the Conference North in 2012-13. A former Sheffield United youth player, he was Staveley MW's top scorer in 2008-09 and joined Mansfield Town in September 2009. He was loaned to Harrogate Town before joining Halifax in December 2010. Also helping win the Northern Premier League Premier Division title in 2010-11, he was top scorer in successive seasons and netted 95 goals in 155 games prior to joining Millwall in June 2014. He was top scorer in 2015-16 and helped win promotion in 2016-17, since playing for Stoke, Derby County, Sheffield Wednesday and Mansfield again.

JAMIE VARDY

Striker Jamie Vardy gained 26 England caps after leaving FC Halifax Town. A former Sheffield Wednesday junior, he moved via Stocksbridge PS to Halifax Town in June 2010. He was top scorer and 'Player of the Year' in their 2010-11 Northern Premier League title triumph, joining Fleetwood in August 2011. Leading marksman as they won the Conference title and reached the FA Cup third round in 2011-12, he moved to Leicester in May 2012. He made his England debut in June 2015 and was top scorer in City's 2015-16 Premier League title success, also helping to win the FA Cup in 2021 and promotion in 2023-24. Now playing for Cremonese.

25 November 2025 // 19:00 // National League Cup

Luke Garrard's men made it three wins from three in the National League Cup after edging Leicester City U21 in a thrilling 4-3 contest.

The heavily rotated Wood side started brightly, with Luke Norris twice going close before Lewis Richardson's clever turn and composed finish opened the scoring. The young Foxes would then respond in devastating fashion, striking three times in 12 minutes through Kevon Gray, Jake Evans and Kirsten Otchere to turn the game on its head before Richardson headed in his second to keep Wood in touch at the interval.

Wood's pressure resumed immediately after half-time, and their persistence paid off when Jeff King won a penalty that Norris confidently converted to level the match and mark his return to the scoresheet. The decisive moment would then arrive on 70 minutes when Jon Benton produced a stunning strike from the edge of the box to restore the lead, a lead the Wood would hold onto and take a huge step closer to the National League Cup Quarter Final qualification.

Brunt (5'p, 75'), Booty (80+4')

22 November 2025 // 15:00 // National League

The Wood earned a historic first win away at Gateshead with a commanding 0-3 victory, achieved despite playing over an hour with 10 men.

An early Zak Brunt penalty set the tone after Charlie O'Connell was brought down, and Wood might have added to their lead before a red card for Joe Newton shifted the momentum. Gateshead pressed hard either side of the interval, striking the bar and forcing Ted Curd into key saves, but Wood's defence held impressively firm.

With opportunities limited after the break, Luke Garrard's boys in blue made their moments count with Brunt striking from long range on 75 minutes, finishing a slick counterattack that involved Erico Sousa, Regan Booty and Matt Rush. The second goal drained Gateshead's belief, and former Heed man Booty, on his Wood debut, sealed the result in unforgettable fashion, lifting a stunning chip from half way over Tiernan Brooks in stoppage time.

THE CONN-CLARKE SAGA

Peterborough United chairman Darragh MacAnthony has revealed on his podcast that a deal has been agreed for the permanent transfer of Chris Conn-Clarke, who is currently on loan at Carlisle United.

While confirming that terms are in place with another club, MacAnthony stopped short of naming the destination, sparking speculation about the midfielder's future. Conn-Clarke has impressed during his loan spell in Cumbria, and interest in securing his services long-term has grown steadily. Peterborough appear set to cash in, but with the buying club still unnamed, fans are left guessing where the talented playmaker will be heading next.

GIBSON GETS THE GIG

Neil Gibson has been appointed permanent manager of Altrincham FC following a four-week tenure as interim head coach. Gibson and assistant Lee Jones have signed contracts through the 2026/27 season.

Alty Chairman Mark Luby said the decision followed a full recruitment process and was based not only on recent results but on the pair's experience, professionalism and ability to maintain the club's momentum. Luby expressed confidence in their leadership and welcomed the opportunity to work with them long-term. The club voiced optimism for the future under Gibson and Jones and have encouraged supporters and partners to continue backing the team.

FROM STEP THREE TO STEP ONE

Billy Rowley has left Walton & Hersham to become manager of National League side Yeovil Town.

Rowley was approached during Saturday's match against Hungerford and accepted Yeovil's offer soon after, with his appointment confirmed on Tuesday. The new Glovers' Gaffer described Yeovil as a major community club with strong history and said the opportunity was difficult to turn down.

Yeovil chairman Prabhu Srinivasan praised Rowley's clear tactical identity and progressive approach. Darren Simpson will continue as his assistant. Walton & Hersham acknowledged Rowley's departure as part of their tradition of staff progressing to higher levels and now begin the search for a new manager.
