Today we welcome Tamworth to the Mangata Developments Stadium Meadow Park for what I think would possibly be for the very first time? Can I wish their Directors, Manager, Players and Supporters a pleasant stay with us and a safe journey home.

Well since my last programme notes, we have welcomed EFL 2 Crawley Town to our humble abode in the 1st Round of the FA Cup and then played both Aldershot at home and Brackley away in the league. We have deservedly won all three games in truth and despatched those teams with a bit to spare, conceding just one goal in the process.

As you can imagine those victories, when coupled with our current league position and FA Cup progress, has given us great confidence going into today's game and we feel that this could perhaps be the best squad we've ever put together, certainly the best since we finished fourth in the National League and went to Wembley in the play offs.

In my opinion Luke and the boys are playing some great football and in terms of the Crawley Town performance, we simply out thought and out fought them to win 3-0, and book ourselves a place in the FA Cup 2nd Round. By winning that game we have now been drawn at home once again and face another EFL 2 Club Newport County.

On top of that we have been fortunate enough to be chosen as an

FA Cup broadcast game by the BBC and TNT.... So the last two weeks both on and off the field of play have been hugely rewarding for what is still a small community football club compared to so many ex football league clubs within this division.

Perhaps the next question we must realistically address as we head toward Christmas, is how will we cope with injuries, suspensions, a dip in form or the increased expectation levels? Expectation of course is now amongst us, as shown by us being a 'live' FA Cup pick, as the broadcasters have chosen our game on the basis of us causing a cup upset.

If our league and cup form does continue over the next month or two, then of course it's only human nature to start to dream the impossible dream. But for now let's just enjoy what we're doing without any internal pressure as I feel that type of expectation might hinder us.

As Chairman I simply want Luke, our staff and the dressing room to continue playing pressure free football while performing with a freedom that excites me, themselves and you the fans. Their free flowing

style has surpassed anything I could have expected from them, but I caution that as we are only in mid November and there's such a long season ahead.

Of course both my staff and our supporters are watching exactly the same football as me, so I understand totally why expectation levels have increased. That said if we can take our early season form into the Christmas and New Year period, then quite rightly there will be an ever growing excitement and expectation level to deal with.

In truth me might not say it, but we've surprised ourselves, our supporters and others, but after 18 league games we are not now going to be a surprise package to most clubs anymore, having pretty much played every team within the division. Also with modern day analysis, all the clubs backroom teams have done their homework and by now will know our personnel, formation, set pieces, strengths, weaknesses and quality.

So as we ease toward the half way point of our league programme, the table though surprising to some doesn't lie and based on our performances to date i think it is a fair reflection of the football we've played. It's also a true reflection of our talented squad, our togetherness and the progress

we've made on and off the park both this and last season.

We're also very aware of the number of games we've got coming up including the National League Cup, we are very aware of our squad size, we are very aware of our squad depth, but we are also very aware of the size of our home support base compared to our rivals and in truth we don't want that becoming a factor especially at home.

As such we are hoping to grow our support base in the run up to Christmas, even if just by another hundred or two. To do that we need the help of our season ticket holders and data base, who we hope will spread the footballing word, as we attempt more community initiatives pre Christmas to help support possibly the best side we've ever produced in my time at the club?

Today we are promoting 3up regarding the creation of a third promotion place from National League into the EFL. That said we are also promoting 'Ladies Day' with 'free' home entrance for all our local girls and all the kids from our local primary schools.

On top of that from mid-day, the Ladies can enjoy a Cocktail of the day, a Prosecco or a Wine available at half price up until 6pm in the Glass House. After 6pm we have

then booked you a Karaoke and DJ again in the Glass House and every player, member of staff and Manager Luke Garrard will be in attendance.

We hope as many of you can join us and it's just another little thank you from me, for your care, loyalty and support over last season and this season to date. The players are all going to be there until gone 8pm to belt out a tune or two and I just hope we all have a great day. Obviously to have great evening we've firstly got to get the result earlier in the day to keep our momentum going, so here's hoping.

I feel if we can get you to support some of these community initiatives and if they get a few hundred more through the gate on a regular basis, then that increase in both noise and atmosphere will enhance our togetherness across the entire club and be a powerful tool that can only help us with our quiet ambition.

Of course we must all stay realistic, of course we must try to stay in the moment but in the end it's up to all of us to get ourselves here on match-days and last the course regarding whatever lies in front of us. That said, I know it's also how the changing room quietly deals with the inevitable injuries, suspensions, set backs and exterior noise, that will also shape our season.

We must also be very aware of the current transfer and loan market and which players might become available in the near future. Because at present I can tell you it's very difficult market to bring in good players. So it's important we stay vigilant and find the right characters who will integrate into what is already a very harmonious and talented squad. That said behind the scenes we are always busy, always working hard, always pro-active and we know that things could change very quickly. So trust me if they do, we're ready to act positively and at a moments notice.

Anyway back to today, we know how difficult this Tamworth team will make things. We know they are a very good side, we know they are very organised and trust me they know how to win on the road. Like ourselves they are a relatively small club operating at National League level, like us they know how to be an underdog club and they know how to beat the bigger clubs, so I have huge respect for them.

Lastly whoever you support, let's hope for an open, attacking game and may the best team win.

Take care

Danny

LIKE GARREARD

Good afternoon, firstly I would like to welcome Andy Peak, his Staff and Players to Mangata Developments Stadium for tonight's National League fixture.

Andy and his side are once again showing a consistency with their performances in the League, with themselves currently sitting in the Top half of the Table.

Having only returned to the summit of Non-League last year with them finishing 10th and to also have a memorable FA Cup run is an incredible achievement, it will be just as impressive to sustain themselves once again within the top 12 of the division come the end of the Season.

We know the strengths they possess, none more so than the impressive long throw of Tom Tonks, it's a weapon we cannot hide away from. We will have to show an attitude to defending all restarts and be really proactive on every duel inside our box.

We have watched them and have seen where we feel we can exploit them, and making sure we play the game our way as opposed to getting dragged into the manner in which they want it to be played.

We have been really proactive in our aggressive style with and without the ball, showing a level of play which has warranted us to have had a really positive reaction off the back of the loss Away to Forest Green, registering three wins in a row and recording 7 goals and only conceding 1.

That for me has really emphasised the mentality of the squad, to bounce straight back and put three wins on the board takes some doing and something I have urged the group to continue to build on.

Our Home form is the best in the Division, and we have seen some fluid and exciting football here and we want that to continue for the foreseeable, the players have set standards and are continuously looking to improve on that.

We know we have areas we feel can be better and we have discussed them at length this week, we believe we can add so much more to

our game and as Staff we are always striving to get even more from the squad.

The players are very receptive and are always asking challenging questions, which for me is great as they are showing a willingness to learn and you also get way more BUY IN from the players which is hugely important for an evolving team.

It's taken a lot of work on and off the pitch, with countless meetings about our concepts and repetition day to day on the grass to really nail down what we want.

We are now seeing an understanding amongst the players which is pleasing, the ownership of what is expected is being played out every match day.

I speak at length with them about how I see us playing and how important they are to the progression of what we want to achieve.

Fundamentally you are only as good as your players and this dressing room is a credit to themselves, and the way they come into work every day.

Today for us is to continue this winning form against a very tough side, we know we have to play with an intensity and energy, showing the level of performance we have done in our last few matches.

Let's get right behind the boys and give them an atmosphere for them to flourish.

Be Loud, Be proud, B'WOOD

Enjoy the Game.

Luke

Previously at Bromsgrove Rovers, the striker joined Tamworth in 1961 and starred as they won the West Midlands League title for the first time in 1963-64. He netted 55 goals as they won the West Midlands League and Cup, Birmingham Senior Cup and Staffs Senior Cup in 1965-66, scoring 173 times in 207 games. A key figure, together with businessmen Bob Andrews and Dave Baxter, in rescuing the club in June 1984, he was chairman when Tamworth won the FA Vase in 1989, remaining in that post until May 1991. Later a club vice president, he died in September 2023.

TOMMY MORROW

Winger Tommy Morrow starred as Tamworth won the West Midlands League and Cup, Birmingham Senior Cup and Staffs Senior Cup in 1965-66. The brother of Hughie Morrow, he began with hometown Nuneaton Borough and moved via Bedworth to Tamworth in January 1964. He helped win the West Midlands League title in 1963-64. Joining Lockheed Leamington in July 1966, he rejoined Tamworth in July 1967 and helped reach the FA Cup second round in 1969-70, then win the West Midlands League and Cup 'double' in 1971-72. He netted 180 goals in 527 games overall, moving to Nuneaton Griff in July 1975. He died in September 2014.

GRAHAM JESSOP

Striker Graham Jessop holds Tamworth's goalscoring record. Starting with Stratford Town, playing alongside his brother Alan,

he joined Brierley Hill in February 1964 but returned to Stratford six months later and moved to Tamworth in January 1965. Previously with Atherstone United, he joined Tamworth in July 1981 and was leading marksman in successive seasons in the West Midland League Premier Division. He scored against Wealdstone in the 1987-88

Striker Mark Stanton scored twice in Tamworth's 1989 FA Vase final replay win. A former Walsall trialist, 'Mavva' spent nine seasons with Dudley Town, helping gain Southern League status in 1982 and win the Midland Division title in 1984-85. Much-travelled striker Ian Bennett was top scorer with 32 goals when Tamworth won the Southern League Midland Division title in 1996-97. 8 November 2025 // 15:00 // National League

Matt Rush fired his 11th league goal of the season as Boreham Wood boosted their National League promotion push with a 3–1 win at Brackley.

Rush opened the scoring in first-half stoppage time, turning smartly to finish low into the corner. Abdul Abdulmalik then made it 2–0 just after the hour, reacting quickest to a rebound after Jeff King's shot was saved.

Erico Sousa sealed victory late on with a superb strike into the top corner from distance, before Matt Lowe grabbed a consolation for Brackley in the closing minutes. The Wood's dominant display in Northamptonshire keeps them firmly in the promotion race.

4 November 2025 // 19:45 // National League

Abdul Abdulmalik's early strike secured Boreham Wood a 1-0 National League win over the Shots.

Nathan Ashmore produced a fine double save from Kiban Rai and Tyler Frost before Abdulmalik powered forward with a wonderful dribble and fired into the top right corner on 16 minutes. Pat Nash kept the Shots in the game, denying Matt Rush, Joe Newton, and later tipping away Charles Clayden's effort.

Zak Brunt headed over and went close again, while Jeff King rattled the crossbar as the Wood pressed for a second. Despite sustained pressure, the hosts would have to hold firm to claim all three points in a narrow 1-0 victory and continue their push for promotion.

NATIONAL LEAGUE'S 3UP DAY OF ACTION

All National League teams will kick off at 15:03 this weekend as part of the "3UP Day of Action."

The event aims to raise awareness for an additional promotion spot into the EFL. National League chair Jack Pearce insists that clubs, many over 100 years old, deserve equal opportunities for promotion alongside EFL teams.

After 23 years of waiting, the league is pushing for the English Football League's support to rectify this imbalance. Pearce calls for fans to join the effort, saying, "Together we can put football first."

MINSTERMEN DEMOLISH DALE

Stuart Maynard was full of praise for his York City side after an impressive 4-1 win over promotion rivals Rochdale.

City took the lead before half-time, but Rochdale equalised quickly. The second half saw City dominate with Josh Stones scoring twice early on and Ollie Pearce adding a fourth.

Maynard praised his squad's work-rate, tactical discipline and intensity, especially under fixture congestion. He also noted the group's unity and that substitutes kept up the pace. This victory extended their unbeaten run to seven, moving the Minstermen up the table.

GLOVERS LAND WATFORD STARLET

Yeovil Town have signed 19-year-old midfielder Leo Ramirez-Espain on loan from Watford until the end of January.

The young Hornets prospect made his senior debut in August 2024 and has since featured twice for the Championship side. Last season, he helped the Hornets reach the FA Youth Cup semi-finals, where they were eliminated by Manchester City.

Yeovil manager Richard Dryden described Ramirez-Espain as "an exciting young player with great energy and confidence on the ball," adding that the loan provides valuable experience in senior football. The Glovers see him as a promising addition to strengthen their midfield options for the coming months.
