LEXIA

*Tonight we welcome Forest Green Rovers to the Mangata Developments Stadium Meadow Park. May I wish their directors, manager, players and supporters a pleasant stay with us and a safe journey home.*

Well, the league positions after nine and a half months are now settled, with us finishing 4th and FGR 7th. As such the stage is set this evening for two very good teams to battle it out with the victors travelling up to Cumbria to meet Carlisle United on Sunday to try and secure a place in the play-off final at Wembley Stadium.

In reality the talking is now all but done and in these one-off games it's often about who performs on the day or night. While everyone within the play-off format will hope for a bit of lady luck or a magic moment. In our case as our goal tally suggests, we do have a few match winners like FGR do, and we just hope that our boys fire on the night and prove to be the difference this evening.

I feel as a club and community that we can look back over the last 12-months with enormous pride. A year ago we were still a regional club but won promotion back at the first attempt to the National League last May and since then we have beaten two EFL Clubs in Crawley Town and Newport County and got ourselves to the 3rd round of the FA Cup yet again.

We also won the National League Cup beating West Ham United under 21's in the process, and got to a record total of 90 points and record goal tally at this level. On top of that we went and broke our record transfer fee to sign Zak Brunt and finished 4th in this very competitive league.

On Saturday we finished with a league crowd of 1,471 and an average of over 1,200 for the season, not huge for some clubs but still an increase of over 40% on our previous seasons league attendance average. To some they cry "tin pot" but for me we are still moving forward and in truth we have made small steps progress for the last two decades.

After our win on Saturday we held the club's Annual Gala Dinner at the Village Hotel and I'd like to especially thank Mande Morris, my manager, players, staff, partners, sponsors, the Town Mayor, local Councillors and supporters for attending a warm and often humorous presentation evening. An evening that allowed me to thank so many people personally and if I didn't already know it, I do now, as I'm a very lucky Chairman to have so many wonderful people wrapped around me, and I know this over achieving community football club is in very good hands.

Whatever the outcome on the pitch this evening and over the next few weeks, I need to sincerely thank Luke, Charlie, the staff, our dressing room and you the supporters for making this last year on the pitch so exciting and exhilarating. The care, kindness and friendships made across the entire club make coming to work and the match day a pleasure and whatever happens on or off the pitch tonight, it cannot erase what we've all achieved together over these last 12-months.

The size of our club and our support base within what is a small town, means we are seen by many of the bigger clubs as an underdog club or in some cases the “undeserving club” based on average crowds coming into these play offs. In truth, I cannot understand those sentiments but I do know one stat, we are the only club in these play-offs who have not ever experienced being a football league club but our desire to rectify that burns deep and as an underdog club we plan on changing that.

For months now I have told all who would listen, our target was a top 5 or above finish and we have achieved that. I've also asked you since Christmas to “dream the impossible dream” because your hopes and dreams cost nothing and through our ambition, investment and recruitment this is now without any doubt the best dressing room, who play the best football and have the best attitudes that I've ever witnessed in my time here.

Anything can and will of course happen in the play-offs and I say that because we've been in six before, this is our seventh and we've won three of them. In truth, they are absolutely bonkers at times, as we all well remember from last year when we beat Dorking Wanderers here 4-3 when trailing 3-1 with just 7 minutes remaining.

Following that last gasp win we then went down to play-off favourites Torquay United and beat them 1-0 with a Matt Rush goal, before overcoming a good Maidstone United side here 1-0 through a Charles Clayden special to say

goodbye to regional football once again, and I thank god for that.

I know we're still called “tin pot” and in some away boardrooms, where someone always find a way to remind me of our crowd sizes, that we are where we are only because of Arsenal but done in such a smarmy uneducated way it makes my skin itch haha.

For some strange reason they love to quote our support levels, and some even over equate and inflate our playing budget to my face. Perhaps it helps them feel better about themselves before we beat them and even before I've left the room they they start whinging because we're not supposed to do that to them based on our average attendances, what absolute nonsense.

They fail to understand the life of an underdog club coming up through the leagues, building their club step-by-step as they go, but that the beauty of this country's footballing pyramid system and as York City and Rochdale have shown on Saturday, our pyramid at the top of our league desperately now needs 3 up.

For me what some people perceive to be our weakness are in fact our strengths. We win football matches and compete with the bigger clubs because we work hard, invest properly, work smart not stupid, and we don't ever rush to make wrong decisions.

Each year we try to improve our ground, our wider facilities, our togetherness, our wider income streams and our work

ethic but we do it quietly and choose to go under the radar. On top of that I ensure we carry no historic debt and we have genuinely learned to have no inferiority complex over the years when facing the bigger clubs whether it's the Wrexham's, Chesterfield's, Stockport County's , Leyton Orient's or Oldham's of this world and in truth we beat them all.

This season the ex-football league clubs at the top have been York City, Hartlepool United, Rochdale, FGR, Scunthorpe United, Southend United, Halifax and Carlisle United to name but a few. Each season we are getting a tad closer to them, because we aspire to be them one day and if we can keep knocking on the EFL door, then I believe one day it will open.

We also respect their very loyal supporters, but we are very happy in our own skin, we know exactly who we are and what we need to do. We know our values, work ethic, talent, experience and ability within our squad, and I know the work ethic of me, my family, my loyal staff, our manager and our dressing room.

More than anyone I know the importance of my staff's loyalty, of longevity, and I know the determined mindsets of my inner circle, who all understand I cannot be without them, not if I'm to ever chart a successful course to the EFL. As such, whatever happens tonight whether we win or lose, we will always act correctly, with integrity and with manners, by retaining true sporting values not creating political ones, as that is something our once proud nation was

famed for.

I say that because when the game is over this evening and whoever has emerged as the victor, we will know how to lose and that is just as important as knowing how to win. Trust me if FGR succeed tonight, no matter the circumstances, I will offer my hand, wipe my mouth and no matter the personal pain, wish them well at Carlisle on Sunday.

Then trust me within 48-hours, along with Charlie Hunter and Luke Garrard, we'll sit down over lunch or supper and set about trying to achieve “the impossible dream” and an automatic promotion place next season.

So tonight I simply say “to the victor the spoils” and whoever you support let's hope for an open, attacking game and may the best team win.

Take care,

*Danny*

# LUKE GARDNER

*Good evening. Firstly, I would like to welcome Robbie Savage and his players and staff to Meadow Park for tonight's National League eliminator match.*

No doubt tonight will provide another entertaining match, having previously played out an intense one-all draw here back in late February.

Both sides come into the fixture in very similar form, with Forest Green gaining ten points from their last five matches registering 14-goals, we have also come into tonight with momentum recording 12-points from our last five fixtures and scoring an impressive 13-goals.

We know how both sides like to present and we respect the way in which Robbie and his team like to play. They have many threats and we need to guard against them and really look to emphasise our style by getting our match winners in positions to affect the game.

We have really come to like our home comforts and that's been evident with our form here at Meadow Park, finishing with the third best home record in the league, but add to that all our cup victories at this place and it demonstrates being at home really does give us an edge.

We know that form does somewhat go out the window, but momentum and belief very much remains and we need to understand what a one-off game looks like and what's required to complete the job. We have a knack for these types of scenarios and a belief system that we are very much tailor-made for night's like this.

I have asked the group to draw upon previous experiences, whether that was our memorable victories in the

FA Cup, our great comeback win here in the National Cup or that incredible night nearly a year ago when we turned a 3-1 deficit with only 8 minutes to play against Dorking Wanderers into the what I believe to be the best night I've witnessed in football to finish 4-3 winners.

These moments and memories will play a huge part in our thought process and we need to lean on these if we are to progress.

Like I said in my pre-match interview, I want all the pressure to land on my shoulders, let this consume me. I appreciate how good we have been this year, but this group is still very young with an average age of 25 and that needs to be acknowledged, as they need to play with a freedom to express themselves in the manner in which they have done all season.

So, I ask the fans to give them the energy and atmosphere that they can thrive off, get right behind them on every action and tonight we can create even more memories together.

Let's be loud, be proud, B'WOOD!

*Luke*

## IN THE DUGOUT

### Manager: Robbie SAVAGE

Savage was appointed the Green's First Team Manager in July last year after a successful spell at Macclesfield, who he guided to promotion to the National League North at the first attempt after winning the Northern Premier League with a record-breaking 109 points, the highest tally in the division's history. His strong start at the New Lawn attracted interest from Championship side and Savage's former club Blackburn Rovers, but he remained committed to Forest Green Rovers in pursuit of successive promotions.

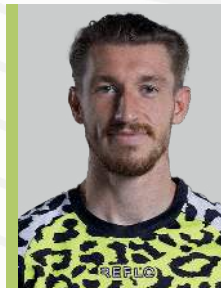

## ONES TO WATCH

### Laurent MENDY

**Born:** 26 March 1997, 29-years-old  
**Position:** Defender

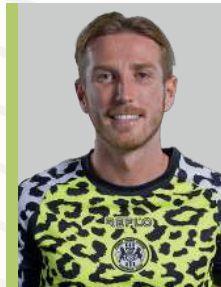

Frenchman Mendy was among several players to follow Robbie Savage from Macclesfield, quickly becoming a key figure for Forest Green Rovers. Recently attracting interest from Scottish Premiership side Hearts, he has emerged as a leader within the squad. Comfortable in midfield or defence, his versatility has proved vital, contributing to a back line that boasts one of the strongest defensive records in the league this season.

### Tom KNOWLES

**Born:** 27 September 1998, 27-years-old  
**Position:** Winger

Primarily a left-sided winger, Knowles has provided a second of two major threats down the flanks this season, netting on 10 occasions during the league campaign. With the ability to be deployed as a defensive or an attacking wide man, the 27-year-old has plenty of EFL experience from his time with Walsall and Cambridge United respectively and has been key in back-to-back promotion pushes for Forest Green.

### Kyle McALLISTER

**Born:** 21 January 1999, 27-years-old  
**Position:** Attacking Midfielder

Top scorer Kyle McAllister has been the star of the show at Forest Green this season. With the ability to play down either flank or in the attacking midfield role, the Scotsman was once described by former manager Steve Cotterill as a "Swiss Army Knife." With 16 goals in the league campaign, he is the Green's top scorer this season and their main driving force going forward.

## 1981/82 season

Forest Green Rovers achieved an FA Vase and Hellenic League 'double' in 1981/82. Bob Mursell's side beat Worrall Hill 5-1, Ledbury Town 2-1, Chippenham Town 4-1, Almondsbury Greenway 2-1, Odd Down 3-1, Shortwood United 1-0, Willenhall Town 2-1 and Blue Star 4-2 in the FA Vase en route to the final. Two goals by Andy Leitch plus another from Kenny Norman gave Forest Green a 3-0 win over Rainworth MW at Wembley: David Moss, Kenny Norman, Peter Higgins. Graham Day, John Turner, Micky Burns, Brendan Guest (Dave Dangerfield), Steve Doughty, Andy Leitch, Steve Millard, Jimmy Jenkins.

## 1996/97 season

Frank Gregan managed Forest Green Rovers to the Southern League Southern Division title in 1996/97. They kicked-off with a 0-0 draw at Erith & Belvedere and overcame an early injury crisis to emerge as pacesetters with Havant Town. Leading marksman Paul Hunt and Karl Bayliss netted hat-tricks as Forest Green hammered Fareham 8-0 in mid December, then beat rivals Havant 3-2 a month later and went top of the table for the first time with a 4-0 victory at home to Bashley in late January. They remained in pole position with a club record 19-match unbeaten run and secured the title with a club record 91 points.

## 1997/98 season

Paul Hunt was leading marksman and 'Player of the Year' with 25 goals as Forest Green Rovers won the Southern League Premier Division title in 1997/98. Frank Gregan's newly promoted side raced to the

top of the table, dropping just two points in their opening nine matches, with Paul Hunt grabbing a hat-trick in a 5-1 victory at Gresley Rovers. They won only one of their next eight games but remained in the top three and underlined their title challenge with nine successive wins. Captained by Gary Smart, Rovers responded to pressure from Merthyr Tydfil and won seven of their last ten games to clinch the title with 89 points.

## 1998/99 season

Frank Gregan guided Forest Green Rovers to the 1999 FA Trophy final. They kicked off in the Conference with a 2-0 defeat at home to Rushden & Diamonds and failed to win any of their opening six matches. The club's first Conference victory was 1-0 at Doncaster and results improved after this, including a run of just one defeat in 13 games as they finished mid-table. Forest Green defeated Boreham Wood 4-1, Witney Town 4-0, Weymouth 2-1, Hitchin Town 2-1, Southport 4-1 and St Albans City 4-3 before losing 1-0 to Kingstonian in the Wembley final. Marc McGregor and Alex Sykes scored 30 goals between them.

## 2000/01 season

Forest Green Rovers reached the FA Trophy final again in 2001. Notable newcomers included former England goalkeeper Nigel Spink and defender Rob Cousins from Yeovil Town. They defeated Barton Rovers 6-1, Matlock Town 3-1, Rushden & Diamonds 2-0, Worksop Town 2-1 and Hereford United 6-3 in the FA Trophy before losing 1-0 to Canvey Island in the final: Steve Perrin, Adam Lockwood, Rob Cousins, Billy Clark, Tony Daley, Jason Drysdale (Frankie Bennett), Martin Foster, Stuart Slater, Chris Burns,

Adrian Foster (Paul Hunt), Alex Meechan. They also reached the FA Cup first round again.

## 2014/15 season

Forest Green Rovers qualified for the Conference National play-offs for the first time in 2014/15. Adrian Pennock's side won their opening three games in a six-match unbeaten start and briefly topped the table. They remained in contention with just three defeats in 27 games, beating Southport 5-3 and slamming four goals past Kidderminster Harriers and Welling United during that period. Three straight wins in April enabled them to finish fifth in the Conference National. Jon Parkin was leading marksman with 25 goals. Forest Green lost 3-0 on aggregate to Bristol Rovers in the Conference National play-off semi-finals.

## 2015/16 season

Forest Green Rovers finished Conference National runners-up in 2015/16. Adrian Pennock's side began with nine straight wins and remained top despite winning only two of their next nine games. Cheltenham Town displaced them in November and that month's top-of-the-table clash ended 1-1 in front of 5,449 at Whaddon Road. Forest Green won 2-1 at AFC Wimbledon en route to the FA Cup second round. They regained pole position with five successive wins after Christmas but ended with just one win in ten games. After beating Dover 2-1 in the play-off semi-finals, they lost 3-1 to Grimsby Town in the Wembley final.

## 2016/17 season

Forest Green Rovers won promotion to the Football League in 2016/17. They kicked off with a 1-0 defeat at Boreham Wood under new manager Mark Cooper but soared to the top of the Conference National after losing just one of their next 19 games. They lost 3-2 at home to title rivals Lincoln in November but drew 5-5 at home to Torquay on New Year's Day, then won 5-1 at Bromley six days later. Christian Doidge was leading marksman with 25 goals as they finished third. They beat

Dagenham & Redbridge 3-1 on aggregate in the Conference National play-off semi-finals, then defeated Tranmere Rovers 3-1 in the Wembley final.

## 2018/19 season

Forest Green Rovers qualified for the League Two play-offs in 2018/19. Mark Cooper's side began with a 4-1 victory at Grimsby and remained unbeaten in their opening 12 League Two games, drawing eight times during that period. George Williams became the first player to score a hat-trick for the club in the Football League in Forest Green's 4-1 win at Newport County on Boxing Day. They gained four straight League wins in April and finished fifth in League Two with 74 points. Christian Doidge was leading marksman with 14 goals. Forest Green were beaten 2-1 on aggregate by Tranmere Rovers in the play-off semi-finals.

## 2021/22 season

Forest Green Rovers won the League Two title in 2021/22. They won their opening four games under new manager Rob Edwards, with Nicky Cadden grabbing a hat-trick in a thrilling 6-3 win at home to Crawley. Losing just twice in League Two before mid-February, they scored four goals at Stevenage, Harrogate and Tranmere, also drawing 5-5 at Oldham. They remained top despite a lean spell in February and March, clinching the title on goal difference after drawing 2-2 at Mansfield on the final day and rivals Exeter lost 1-0 at home to Port Vale. Leading marksman Matt Stevens and Jamille Matt netted 42 goals between them.

**Wood were forced to settle for a point in a clash with the Rovers, despite taking the lead in the second half.**

After an open first period in which both sides created chances, Wood went closest through Matt Rush, while Ted Curd and Harry Isted were kept busy to ensure it remained goalless at the break.

Luke Garrard's side struck on 52 minutes when a well-worked corner saw Zak Brunt deliver for Lewis Richardson to head home at the far post. Wood pushed for a second, but Isted produced a string of fine saves to keep Forest Green in contention and frustrate the home side.

Against the run of play, the visitors levelled when Kyle McAllister converted from the spot after a handball decision. Despite a late red card for Josh Osude, Wood couldn't make the man advantage count and had to settle for a point.

25 April 2026 • 15:00 • National League

Wood ended the regular season with a victory over Sutton United, as Leon Ayinde's first-half strike secured fourth place and an impressive 90-point tally.

With changes made ahead of the play-offs, Wood dominated early possession and chances, repeatedly troubling the visitors' defence. Ayinde was central throughout, capitalising on a defensive error to curl a composed finish into the top corner after 28 minutes.

The Wood remained in control before the break, limiting Sutton to a single tame effort, but the visitors improved after half-time and tested Ted Curd more frequently. Lewis Simper forced a save and David Ogbonna struck the bar as momentum shifted.

Substitutions restored Wood's threat, with Zak Brunt, Abdul Abdulmalik, and Matt Rush adding energy in attack. Richardson went close, while Brunt clipped the crossbar with an audacious effort. Despite late pressure at both ends, Wood held firm to secure a confidence-boosting win ahead of the play-off campaign.

18 April 2026 • 15:00 • National League

Boreham Wood produced a commanding display to beat relegated Morecambe and secure a fourth-place finish in the Enterprise National League, clinching a home Eliminator in the play-offs.

Morecambe began brightly, forcing early pressure, but Wood soon settled and created several openings. Abdul Abdulmalik went close before breaking the deadlock on 27 minutes, finishing clinically after a well-weighted through ball from Zak Brunt. Jamal Blackman made a string of fine saves to keep the hosts in contention, while Ted Curd remained alert at the other end.

Wood controlled the second half, with Brunt dictating play in midfield and chances continuing to flow. Luke Garrard's men would seal victory late on, as substitute Joe Newton finished smartly before Lewis Richardson added a stunning long-range strike in stoppage time to wrap up an emphatic and deserved win.

## STOPPAGE-TIME CHAOS DECIDES TITLE

If ever a game seemed destined to be settled by scarcely believable stoppage-time drama, this was it as Rochdale and York City battled for the National League title.

Rochdale, needing victory, thought they had sealed glory when Emmanuel Dieseruvwe headed home into stoppage time, sparking wild celebrations and a pitch invasion. However, after delays extended added time, York launched one final attack.

Josh Stones, after earlier misses, scrambled in a last-gasp equaliser to secure promotion instead and the scenes flipped instantly, with York celebrating and Rochdale left stunned. In a contest defined by late drama and resilience, the title was decided in the most extraordinary fashion imaginable.

## AFC FYLDE AND WORTHING SEAL PROMOTION

AFC Fylde and Worthing celebrated memorable promotions to the National League after dramatic and determined title-winning campaigns.

Fylde secured the National League North crown with a thrilling comeback victory at Merthyr Town, reaching 100 points as rivals South Shields slipped. Manager Craig Mahon hailed the achievement as the finest moment of his career, praising a squad that etched its name into club history.

Down on the South Coast, Worthing completed a remarkable turnaround under Adam Hinshelwood, climbing from mid-table in October to champions with victory over Ebbsfleet. Backed by passionate support, their rise reflects belief, resilience and ambition as both sides prepare for the step one challenges ahead.
