Tonight, we welcome our friends from Altrincham to Meadow Park. May I wish their Directors, Manager, Players and Supporters a pleasant evening with us and a safe journey home.

This afternoon promises to be a real ding-dong encounter between two sides challenging at the top of the table and two clubs who like to play attacking, possession-based football.

Last Tuesday saw a very good Kidderminster Harriers side come here, but we proved far too good on the night and ran out deserved winners. Great credit once again must go to Luke, Charlie, the dressing room and staff for the squad strength and relentless way that they've gone about their work, not only over the last few months but over the last three seasons.

I feel I have every right to feel very proud of what they're doing on our behalf and, on my side, I promise to remain driven in all areas of the club to find the small margins and extra monies needed that can improve us further.

I must also say a very

big thank you to our sponsors, our local partners and our supporters, who I know are getting excited and absolutely loving our start to the season. Though I'll temper that, in all honesty, by saying it's just a start and, after today, we are just 25% through the season.

We must now look ahead and understand there will be plenty of bumps in the road, twists, turns, injuries, suspensions and setbacks throughout the season, as there always are... We just hope this season there are a few less than normal, because I'm sure we'll need everyone in those pressure moments to stay calm, stay with us and remain supportive.

On the signing front, we've added Will Wright to the squad and we welcome Will and his family to the club. Will, in truth, has been a long-time target of Luke's, has a good EFL pedigree and can only

aid us in our quest to get ourselves to the EFL and stay there in the coming years.

Other club news

The South Stand and associated facilities have now started in earnest and, though I'm still waiting for the final CIL agreements with Elstree and Borehamwood Town Council and HBC to be signed off, out of necessity I have decided to start the project now.

Put in simple terms, we do need the build to remain on schedule and on budget. So I hope the legal stuff will catch up very soon with the build, and I'm sure it will.

In terms of my personal investment, that's already in place. In terms of BW PASE, Arsenal and the Football Foundation, that's all agreed, signed off and also in place. So I can proudly tell you all that, no matter the setbacks and delays,

before the start of October, it's all systems go after 10 years in the making.

As with any £4 million-plus project, especially with multiple stakeholders at our level, it's a huge risk and commitment for a club of our size. That said, as I've told you all many times, I believe it will change the landscape of this club and our town forever.

For me, it is a legacy project that's been a decade in the making and I'm so happy that it will be delivered to you all before the start of next season. In terms of the impact on my time, these types of projects always need someone internal to get onboard and steer the ship. Put simply, someone must keep the architects, consultants and contractors honest in terms of each and every outlay and cost.

So many clubs and businesses are far too trusting, but for me you must be very aware that things can quickly run away from you, regarding both the budget and alterations to the design. As such, I'll be using all of the

skills I learnt as a prop master within the British Film Industry and will be scrutinising every change, alteration and last penny to the best of my ability to ensure we get value for money.

At this moment in time it's all hugely time-consuming, there are not enough hours in the day and it's all a tad stressful if I'm honest. That said, for the future of our club, my staff, the dressing room and our wider community, it's very important I stay on top of the budgets and get the programming and schedules right.

My focus must be on delivering a Football League ground to our supporters, club and community if we are to achieve our ambition of getting to the Football League this season. We must also accept any pressure to ensure we are ready for next season, regardless of what league we're in.

It's important, if building costs rise over the coming months, that we ensure we continue to carry no historic debt or run up any other unsustainable debt into next season. As such as a club, we look forward

with optimism and we will plan ahead, with every scenario on the table.

Anyway, it's fair to say that things are going very well. Altrincham though, now stand in our way as we strive for another three points and arrive here in great form. They currently sit third in the division and come to Meadow Park with their own ambitions, looking to end our unbeaten run and further their own promotion goals.

We understand the job in hand, we understand what's expected of us and in Luke and the dressing room we trust. Up until now our lads have found the answers, and we hope they can deal with the many problems Altrincham will pose this afternoon.

Lastly, whoever you support, let's hope for an open, attacking game and may the best team win.

Take care,
Danny

WATCH THE WOOD

30+ times live
this season

Good afternoon. Firstly, I would like to welcome Neil Gibson and his players and staff to Meadow Park for today's National League fixture.

Altrincham have had a fantastic start to the league campaign, seeing them firmly in the play-offs having recorded four straight wins.

Things didn't start great for Altrincham, with three straight defeats but Neil and his staff have really turned them into a side that in my opinion will be right up there come the end of the season.

We know we have to show a high level today that will warrant us continuing this run of form.

We have spoken to the group and addressed exactly how we feel Altrincham will present and we are excited to implement the work in our game today.

We have watched them closely and have identified areas we can really exploit them, we have to have the confidence with our processes, as what's being displayed regularly from the players should only be giving us even more belief in what we are actually achieving.

Some of the football again on Tuesday evening, especially in the first half, was an absolute pleasure to watch.

Some of the patterns and passages of play really hurt Kidderminster and when I actually take a

step back and debrief the match with less emotion, it's only then you can really appreciate how big a result that was midweek.

A side that came to us in the play-offs, recording three clean sheets in four prior to arriving at Meadow Park and for us to go and score three goals and quite possibly of had more shows the volume and quality this dressing room is currently producing.

They had only conceded eight goals in their last ten fixtures and for us to go and score 37.5% of their goals against in one match does really please me. This shows me we have a ruthlessness to our play, I speak openly about maintaining standards from last season and improving across the whole pitch regards to getting our metrics up.

That has been evident already with us scoring over 2.6 goals per game in the league and I honestly believe we could have even more.

When I take a look at the squad we currently have available, it's showing how important it is to have this strength and depth.

We have played four fixtures without our top goalscorer and still scored 12 goals, also add our orchestrator in the middle

of the park Regan Booty, having missed him for the last two matches, we've registered maximum points and six goals.

We also look to welcome back both Tarryn and Farhaan from international duty after the weekend which will bring us back to a very competitive squad going into another extremely busy period.

That to me shows a cohesive dressing room that appreciates and understands their roles within the team and when they get called upon they know they have to perform to ensure they maintain what has already been delivered.

Let's get right behind the boys and bring an energy and create an atmosphere that shows the togetherness we are all feeling on and off the pitch.

I hope you enjoy the game and look forward to seeing you all.

Be loud. Be proud. B'Wood.

Luke

Feature interview: Tylor Golden

"We have the confidence but also humility to assess where we are, what we're doing well and what we can improve on and keeping that mentality throughout this season will be massive to our end target."

Facing a former club can often bring added emotion and Tylor Golden's affection for Altrincham is clear.

Departing Moss Lane in the summer following a fruitful two-season spell, the 26-year-old flourished in Greater Manchester as he quickly asserted himself as a fan favourite in defence.

Neil Gibson's side visit Meadow Park on Saturday, giving Golden his first opportunity to face his former employers.

Despite the personal significance of the fixture, the ex-Salford City and FC Halifax Town man is treating it like any other game.

"Obviously, my time at Altrincham meant more to me than some of my other clubs so far because it is my local club and I lived in the area for over a decade," he explained.

"I've seen the club evolve, I had a great time there, I have good memories connected to them and always appreciated the support I received from the fans whilst being there.

"However, the emotions have to come out of it once the game comes around and we need to carry on our great start to the season."

Despite coming on in the closing stages, Golden helped see out another vital three points on Tuesday night as we ran out 3-1 victors over Kidderminster Harriers thanks

to a Jay Bird brace and Ben Whitfield's second-half header.

Golden feels that the result further underlined the confidence running through the squad.

"We had another great result on Tuesday night, it was fully deserved and could have even been more," the ex-Wigan Athletic youth defender said.

"We have the confidence but also humility to assess where we are, what we're doing well and what we can improve on and keeping that mentality throughout this season will be massive to our end target.

"We have fantastic quality throughout the whole squad and every single one will play a massive part.

"Keeping our harmony as a whole group will be one of the things to keep us ahead of the rest."

For Golden, maintaining that unity is just as important as the quality within the squad.

"The togetherness in the squad is the best I've been involved in so far in my career," Golden admitted.

"We all share the same desire, work rate and ambitions.

"We will all fight for each other in every game to achieve what we want this season."

After spending his career with clubs in the north of the country, Golden's move to Hertfordshire represented a major change as he adapted to new surroundings and left behind the familiarity of home.

Nonetheless, he feels he is already reaping the rewards of his move to Meadow Park.

"It was a massive life decision to make but was also an exciting one with what I know I could achieve here," he said.

"It's my first time living away from home and in a period of my personal life where comfortability would be massive, but I knew I had to make that step to achieve the goals I wanted.

"The club and lads have been brilliant since I've come in and helped the transition so much, much more than you would imagine.

"To be honest, I have found it a bit difficult, maybe more difficult than I originally expected, but over the last couple of weeks or so I've really been able to feel more comfortable and adjust much better to it all.

"This group has helped me a lot with that, from the staff to the fans and the lads - the relationships you make with them give you another family to lean on."

In the dugout

Neil Gibson

Manager • Last club managed: Wealdstone

Neil Gibson began his managerial career with Bamber Bridge before spells with Marine and Southport, where he gained valuable experience in the National League North. He later managed FC United of Manchester and Chorley, before taking charge of Altrincham in 2024. Gibson has overseen a strong period of progress at Altrincham, guiding the Robins into the National League play-offs last season. This campaign has seen Altrincham remain competitive near the top end of the division, with Gibson's side combining attacking threat with defensive organisation. They arrive at Meadow Park having continued their push for another strong finish under the experienced manager.

One's to watch

Tom Crawford

Midfielder • 30/05/1999 (27) • Last club: Hartlepool United

Named skipper in February of this year, Crawford has now played over 100 games for the Robins since joining the club from Hartlepool United in the summer of 2024. He made his senior debut for hometown club Chester as a teenager before moving on to the EFL with Notts County. He's known for his experience, physical presence and box-to-box work rate.

Jimmy Knowles

Forward • 27/02/2001 (25) • Last club: Accrington Stanley

Jimmy Knowles was Alty's top scorer in 2025/26, with an impressive 16 goals across all competitions after joining for an undisclosed fee from Accrington Stanley. An instinctive finisher who came through the ranks at Mansfield Town, Knowles gained experience on loan at Notts County, Greenock Morton, Kettering Town and Boston United. He later made his mark at Mansfield before spells with Barrow and Accrington Stanley, where his goalscoring record earned him a move to Altrincham.

Reuben Lopata-White

Defender • 26/09/2005 (21) • Last club: Leeds United

Signed in the middle of August on loan from Leeds United until January. A central defender who has come through the ranks at Leeds and enjoyed a spell in Scotland with Greenock Morton, White offers youth, pace and front-footed defending. Comfortable stepping out from the back, he has quickly added further competition and athleticism to Altrincham's defensive options.

Sousa doubled the advantage 10 minutes later with a fierce drive before Brunt added a third from the penalty spot on 44 minutes after Abdul Abdulmalik was brought down in the area.

Altrincham improved after the break and pulled one back through Jimmy Knowles on 57 minutes, but Wood defended well to secure a third consecutive National League victory.

Classic campaigns: Altrincham

Football historian **Leigh Edwards** selects ten post-war Altrincham 'Classic Campaigns'

1965/66

Altrincham reached the FA Cup third round for the first time in 1965/66. The Robins defeated Prescot Town 2-1, Marine 4-0, Skelmersdale United 4-1 and Bangor City 3-2 to set up a first round tie at home to Scarborough. Ace marksman Jack Swindells netted five goals in a 6-0 victory, then was on target again as Altrincham triumphed 3-0 at Rochdale in the second round. They lost 5-0 to Wolves in front of 30,475 at Molineux in the third round. Freddie Pye's side also won the Cheshire League and Cup 'double', losing just twice and scoring 132 goals as they pipped reigning champions Wigan Athletic to the title with 73 points.

1974/75

Altrincham made headlines as they took Everton to an FA Cup third round replay in 1974/75. They beat Accrington Stanley 3-0 to reach the FA Cup competition proper for the fourth successive season, then defeated Scunthorpe United 3-1 in a first round replay and Gateshead 3-0 to set up a lucrative third round visit to Everton. John Hughes scored to give the Robins a 1-1 draw in front of 34,509 at Goodison Park but Everton triumphed 2-0 in the replay watched by 35,530 at Old Trafford. Altrincham finished third in the Northern Premier League for the second consecutive year, eight points behind champions Wigan Athletic.

1977/78

John King captained Altrincham to their first FA Trophy final triumph in 1978. The Robins had been unlucky to lose to eventual winners Scarborough in a semi-final second replay the previous season. They defeated Workington 4-0, Frickley Athletic 4-0, Matlock Town 2-0, Winsford United 4-2 and Runcorn 1-0 en route to

the FA Trophy final. Goals by leading marksman Jeff Johnson, John Rogers and John King gave Altrincham a 3-1 win over Leatherhead at Wembley Stadium. Other heroes included Ian Morris, John Davison, Graham Heathcote and Peter Eales. Altrincham finished fifth in the Northern Premier League.

1978/79

Altrincham took Tottenham Hotspur to an FA Cup third round replay in 1978/79. The Robins received a bye to the competition proper for the first time and defeated Southport 4-3 in the first round, then won 2-0 at Droylsden to reach the third round for the third time in their history. Jeff Johnson's late equaliser gave Altrincham a 1-1 draw with Tottenham Hotspur in front of 31,081 at White Hart Lane. Colin Lee's hat-trick gave a Spurs side including Argentina World Cup stars Ossie Ardiles and Ricky Villa a 3-0 victory in the replay watched by 27,878 at Maine Road. The Robins finished runners-up in the Northern Premier League.

1979/80

Altrincham won the Alliance Premier League title in 1979/80. Tony Sanders' side kicked off in the new competition with a 0-0 draw at Weymouth, then won at home to Telford and Maidstone to emerge as early pacesetters. They won nine times in a ten-match spell to underline their title credentials, also beating Crewe and Rotherham in the FA Cup before losing 2-1 at Orient in a third round replay. Altrincham finished their Alliance Premier League campaign with a ten-match unbeaten run to pip Weymouth to the title. They lost on penalties after a 2-2 aggregate draw with Northwich Victoria in the Alliance Premier League Cup final.

1980/81

Graham Heathcote and John Rogers scored 33 goals between them as Altrincham retained the Alliance Premier League title in 1980/81. The Robins began with a 3-1 win at Stafford Rangers and went top with only two defeats in 25 matches, including a thrilling 5-4 victory at Bangor City. They remained unbeaten in their last four games to win the title with 54 points and completed the 'double' by defeating runners-up Kettering Town 3-2 on aggregate in the Alliance Premier League Cup final. The Robins beat Burscough 2-1 and Scunthorpe United 1-0 in the FA Cup before losing 4-1 to Liverpool at Anfield in the third round.

1981/82

Altrincham reached the FA Cup third round for the fourth successive season in 1981/82. Two goals by John Rogers gave the Robins a 2-2 draw at Sheffield United in the first round and Barry Howard scored twice in Altrincham's 3-0 replay win. After a 0-0 draw at York City in the second round, Barry Whitbread netted twice in a 4-3 replay triumph but Altrincham lost 6-1 at Burnley in the third round. In the FA Trophy the Robins beat Nuneaton Borough 1-0, Epsom & Ewell 1-0, Mossley 2-0 and Bishop's Cleeve 3-1 before losing 1-0 to Enfield in the Wembley final. They also reached the Bob Lord Trophy semi-finals.

1985/86

Altrincham shocked the football world by winning at top-flight Birmingham City in the 1985/86 FA Cup third round. They won at Chorley 2-0 and Blackpool 2-1, then Jeff Wealands starred against his former club as Ronnie Ellis' strike and Robert Hopkins' own goal secured a 2-1 third round victory at Birmingham. John King's side lost 2-0 at York City in the fourth round. In the FA Trophy they defeated Ryhope CA 3-1, Bangor City 6-1, Bishop Auckland 1-0, Cheltenham Town 2-0 and Enfield 3-1 before Mike Farrelly's goal clinched a 1-0 victory over Runcorn in the Wembley final. Altrincham finished fourth in the Conference.

1994/95

John King managed Altrincham to the FA Cup third round in 1994/95. The Robins started well and won their first five away matches, including a 5-2 victory at Merthyr Tydfil. In the FA Cup they defeated Marlow 2-1, Southport 3-2 and Wigan Athletic 1-0 before losing 3-0 to Tottenham Hotspur watched by 25,057 at White Hart Lane. The policy of fast, attacking football saw Altrincham among the Conference leaders but they lost ground to Macclesfield Town and finished in fourth position. Paul Collings and Steve Cross were ever-present, while Andy Green was top scorer and Chris Sharratt voted Player of the Year.

1998/99

Bernard Taylor guided Altrincham to the Northern Premier League title in 1998/99. They made a shaky start and their first victory, 2-1 over Spennymoor, was not until their ninth match. Altrincham grew in confidence and lost just once in their next 20 games, surging up the table to hit top spot by the end of the year. Strikers Leroy Chambers and Paul Power netted 22 goals between them, while Paul Ellender and goalkeeper Stuart Coburn also made a significant contribution. A seven-match unbeaten run saw them win the Northern Premier League title with 80 points and regain Conference status after two years' absence.
