Good afternoon and welcome to the Mangata Developments Stadium, Meadow Park, for today's National League fixture against Gateshead FC. May I wish their directors, management, players and supporters a pleasant stay with us and a safe journey home.

Well, where do I start?

I suppose the first thing I should say is that, even after all my years involved with Boreham Wood Football Club, I don't think I have ever experienced quite what we are experiencing at the moment.

To describe our season so far as unprecedented and record-breaking is no exaggeration, and I think everyone connected with this football club should take a moment to appreciate just what is being achieved.

Records are not broken by accident, and success at this level certainly doesn't come easily.

What we are witnessing is the result of years of planning, investment, difficult decisions, loyalty, hard work and an unwavering belief that a relatively small football club like ours can continue to punch well above its weight.

I have always said that Boreham Wood is a little club with quiet ambitions, and I make absolutely no apology for that. Even someone as ambitious and demanding as me has to acknowledge that what our management team and players have achieved so far this season is quite remarkable.

They deserve enormous credit, not just for the results, but for the standards, consistency, togetherness and desire they have shown.

I know better than most that football can change very quickly, and I certainly won't be getting carried away in November. Nothing is won at this stage of the season, and nobody hands out medals or trophies for breaking records before Christmas.

But equally, I am not going to pretend that what we have achieved so far is ordinary, because it isn't.

It is extraordinary, and I am immensely proud of everyone involved.

Of course, the challenge now is to ensure that we don't become victims of our own success.

Expectations naturally rise when you are winning football matches and breaking records, but we must remember that every point at this level has to be earned.

There will be difficult afternoons and evenings, disappointing suspensions, results, injuries and setbacks along the way. That is part of football, and how we respond to those moments will ultimately define our season.

The important thing is that we remain grounded, humble, hungry, disciplined and together.

I have never been interested in simply making up the numbers, and I certainly haven't spent all these years building this football club to start accepting second best.

We must keep striving to improve, keep demanding high standards of each other and keep believing that there is more to come.

That said, I also want to address something that I have spoken about many times over the years, and that is the importance of growing our support base.

We are achieving things on the pitch that many clubs with considerably bigger budgets, larger crowds and far greater resources would love to achieve.

Yet the reality remains that we are still a relatively small club operating in an increasingly expensive and competitive environment.

The financial commitment required to sustain a competitive National League football club is enormous, and while I have always been prepared to back my ambitions with my own investment, the long-term future of Boreham Wood cannot simply depend on the continued generosity and commitment of a handful of individuals.

We need our town, our wider community and our local businesses to recognise what is happening here and get behind it.

If ever there was a time for the people of Borehamwood to come out in greater numbers and support their local football club, surely that time is now.

We have a team making history, a football club breaking records and a genuine opportunity to build something even more special.

I genuinely hope that more people will want to become part of that journey.

I would also like to acknowledge the tremendous work being done behind the scenes by my staff, our volunteers, our sponsors and our partners.

The success of any football club is never simply down to the players who cross the white line on a Saturday afternoon.

It takes an enormous collective effort to create a platform, and I know just how many people work tirelessly, for me often without recognition, to ensure that Boreham Wood FC continues to operate and compete at the standards we demand.

So to each and every one of you, i say thank you.

To our loyal supporters, particularly those who travel up and down the country following us, I also want to say how much your support means.

You have experienced the highs and lows with us, and I hope you are enjoying this remarkable period as much as anyone.

You certainly deserve to.

As for today's opponents, Gateshead they are under new management, in a state of flux but will undoubtedly provide another stern examination of our credentials.

They are a club who will arrive with their own ambitions, and we know that reputation, league positions and previous results will count for very little once the referee blows his whistle.

We will need to be at our best, show the right attitude and approach the game with the same hunger and determination that has brought us this far.

Finally, I want to leave you with one thought.

When I look back at where Boreham Wood Football Club was when I took this club over in 1999, and then look at where we are today, I feel an enormous sense of pride.

But pride alone doesn't win football matches, and history doesn't guarantee future success.

We have achieved an awful lot, but I genuinely believe there is still more to come from this football club.

So let's enjoy what is happening, let's appreciate the records being broken, but above all let's keep our feet firmly on the ground, keep our relationships intact and our ambitions as high as ever.

Because if there is one thing I have learned over the years, it is that in football you should never stop dreaming, never stop believing, and never stop working hard.

Whoever you support, let's hope for an open, attacking game and may the best team win.

"COME ON THE WOOD"

Take care,

Danny

Good afternoon. Firstly I would like to welcome Alun Armstrong his staff and players to Meadow Park for today's National League Fixture.

It's nice to see Alun back in the dugout having previously worked at Gateshead under different circumstances last time out and I genuinely wish him all the success going forward.

For them to register their first win on Tuesday evening against a relegation rival will give them a boost coming into today's match.

We have watched them at length and know they have some talent within their ranks and we will need to guard against that and make sure we take control of the game as soon as possible.

We understand the magnitude of the game this afternoon, this will be our last league fixture for 10 days and the whole group is appreciative of going into that period with a huge three points.

We backed up our impressive away win against Southend with another massive three points on Wednesday evening against Aldershot, who for the first half most definitely made it a cagey affair with their aggressive approach and man to man game plan.

We knew that would be how they would present and we needed to find comfort in their chaos and continue to do what we do best and control the game.

We definitely saw the fruits of our labour as the match went on, when you could physically see the intensity of Aldershot slowly decreasing.

I speak openly about oppositions pressing us and going man for man and how we have had great success when being tasked with that game plan.

That's now the 5th time we've registered 3+ goals in a game that has presented in that manner, whether it's Forest Green away, Harrogate, Altrincham, AFC Fylde and now Aldershot at home the boys show a discipline to their work and have an attitude to passing the opposition tired from minute one which allows for us to run the game in the later stages and get joy with our finishers off the bench.

As a group we are really hitting all our metrics whether that's possession, box entries, XG for and XG against, it's something us staff are hot on and we regularly address the squad on these to ensure they understand and appreciate what we are expecting.

I spoke after the game about them yet to hit their heights and that we genuinely believe there are more levels to our game, that's not me under appreciating their work to date, it's an honest appraisal on what I know this group can achieve.

We watch every game back intensely as it's always about us improving and building, I want this team to be as complete as it possibly can and that's having all facets to our game, whether that's in or out of possession.

I use the saying "what does winning look like" and again we showed a real grit and determination to our game on Wednesday evening with our out of possession shape and organisation.

The attitude towards our defensive side was important, as Aldershot most definitely test you in that department and we needed to be excellent at their game to keep the momentum and gain a huge three points.

We need to continue our current performances and maintain our standards to get another much needed three points today, please get right behind the players and keep giving us the energy to deliver.

I hope you enjoy the game and look forward to seeing you all.

Be loud. Be proud. B'Wood.

Luke

Boreham Wood		Aldershot Town
Whitfield (14, 42), Brunt (49), Rush (57)	**4-1**	Cummings (23)

Wednesday 25 November 2026, 19:00 — Enterprise National League

Boreham Wood kept their strong run going with a confident 4-1 win over Aldershot Town, staying well clear at the top of the National League.

The visitors started on the front foot, pressing with a direct style, but once Boreham Wood settled, they found their quality and took control. Ben Whitfield's header opened the scoring, and even after Aldershot equalised, the hosts soon started to show their ruthlessness. Before half-time, Whitfield struck again after a neat move involving Tom White and Tarryn Allarakhia, giving Boreham Wood a half-time lead. Aldershot kept pushing after the restart with a string of corners, but they couldn't make the pressure count.

Boreham Wood finished the job in the second half when Tylor Golden kept the ball in brilliantly and set up Zak Brunt for the third. Shortly after that, Matt Rush made it four with his 11th league goal of the season. From there, Boreham Wood managed the game calmly and saw out a comfortable win.

Boreham Wood (4-2-3-1): Curd, Golden, Bainbridge, Bush, O'Connell, White (Marshall-Miranda 75), Booty (Wright 65), Brunt (Cashman 82), Allarakhia, Whitfield (Richardson 65), Rush (Bird 65).

Boreham Wood secured a fantastic victory over Southend United in front of 10,000 supporters in Essex.

The Wood made a flying start, taking the lead in the 19th minute when Ollie Bainbridge finished brilliantly after a superb pass from Booty. The side from WD6 then doubled their advantage ten minutes later, with Whitfield finishing from close range following another excellent Booty pass. They then made it three in the 33rd minute as Zak Brunt fired home from a Whitfield cross, sending the travelling supporters into wild celebrations.

Southend fought back in the second half, with Tyreece Simpson heading home in the 64th minute before Richards struck again just three minutes later. Despite a nervy finish, Boreham Wood held their nerve to claim a huge three points with a statement victory.

Saturday 14 November 2026, 15:00 — Enterprise National League

Boreham Wood earned a valuable point on the road after battling back to claim a 2-2 draw against a strong Yeovil Town side in Somerset.

The Wood made a bright start and took an early lead when Tylor Golden converted from close range. Yeovil responded well, with Archie Davies levelling the score on 27 minutes with a composed finish. The hosts then turned the game on its head just three minutes later, as Slavi Spasov calmly converted from the penalty spot to give Yeovil a 2-1 half-time advantage.

Both sides continued to create chances in an entertaining contest, with Boreham Wood showing determination in their search for an equaliser. Their persistence was rewarded late on when Lewis Richardson found the back of the net, securing a well-deserved share of the spoils.

Feature interview: Will Wright

"They'll be treated with the utmost respect, as is every opponent, and we will look to send them home with nothing."

Ahead of Saturday's Enterprise National League clash with Gateshead, we sat down with Will Wright to discuss settling in, recent performances and much more.

Firstly, thank you for joining us, Will! Having arrived at Meadow Park from Barnet nearly two months ago now, how do you feel you have settled in and how have you found the transition on and off the pitch?

"My pleasure - I have found it really easy to be honest with you! Although I'd like to have played more minutes, I'm absolutely loving the time I have had and I'm also really enjoying everything day-to-day. The group is obviously a tight-knit one and I like to think I have slotted in quite nicely."

After a draw with Yeovil Town, another statement victory followed against Southend United. What did you make of the performance and what did it say about the character and resilience within the group to see the game out in the closing stages?

"I think apart from a mad five-minute spell (where Southend scored twice), we had full control and the first 30 minutes speaks for itself. The quality and how clinical we were was there for all to see, but I think the way we handled the game once Southend made it 3-2 shouldn't be underestimated. I can't really remember them having another clear chance after the second goal and that for me is a really promising sign."

Gateshead is the latest examination this weekend. How important is it to maintain this positive momentum and what threats do you think they will pose?

"We have to maintain our standards and keep the pedal flat to the floor. It's pretty obvious there's one goal this club wants to achieve and nobody can get in the way of that. As for Gateshead, they're in a tough spell, but that does not mean they can't come here and put on a performance. They'll be treated with the utmost respect, as is every opponent, and we will look to send them home with nothing."

Currently sitting at the summit with a comfortable buffer, what do you think will be key to continuing this fine run and are there any elements you feel could be improved upon ahead of a testing period?

"I think from the last few games, we're now looking to get back to keeping clean sheets. Our defensive record is still amazing so if we're nitpicking it has to be that. It's nothing to get caught up on but if we want to make things easier for ourselves and get to the destination as quickly as possible, the clean sheets will definitely contribute."

He began his managerial career with Blyth Spartans in 2016 before moving to National League North side Darlington in 2019. Armstrong first took charge of Gateshead in June 2026 but stepped down in January to become the club's Head of Football Development. Following a period away from the dugout, he was reappointed as manager in November.

One's to watch

Max Thompson

Max Thompson joined Gateshead after beginning his career in the academy system at Newcastle United. The goalkeeper gained valuable senior experience during loan spells away from St James' Park before making the move to Gateshead, where he has continued his development in first-team football. Thompson has featured regularly for the Heed and has established himself as an important member of the squad, bringing experience from both academy and senior football environments to the Gateshead dressing room.

Blessed with pace, movement and an eye for goal, Supyk represents the club's commitment to developing young talent while remaining competitive at National League level.

Boreham Wood **3-0** Gateshead

Ayinde (12), Zak Brunt (38, 46)

Saturday 21 March 2026, 15:00

Enterprise National League

Boreham Wood produced a dominant display to secure a comfortable 3-0 victory over Gateshead at Meadow Park.

Luke Garrard's side looked the more dangerous team from the outset and took the lead on 12 minutes when Leon Ayinde latched onto Ted Curd's long ball, headed past Ben Radcliffe and finished confidently beyond Adam Desbois. Wood continued to create chances throughout the first half and doubled their advantage on 38 minutes when Zak Brunt's deflected effort found its way into the net.

The second half could hardly have started any better for the hosts, with Brunt grabbing his second goal just 24 seconds after the restart following excellent work from Ayinde. The winger continued to cause problems and was unlucky not to add his name to the scoresheet when he rattled the crossbar moments later. Although Wood eased off slightly after their third goal, they remained in complete control, dominating possession and limiting Gateshead to very few opportunities.

With the result all but secured, Garrard was able to rotate his squad and give valuable minutes to returning players. Boreham Wood still threatened to add further goals, with Erico Sousa firing narrowly wide, James Clarke seeing an effort blocked and Lewis Richardson hitting the woodwork in stoppage time. It capped an excellent afternoon for the Wood, who controlled proceedings from start to finish and secured another impressive three points at Meadow Park.

Boreham Wood (4-2-3-1): Curd, Coxe, Ilesanmi (Newton 83), Bush, O'Connell, White, Brunt, Booty (Reynolds 78), Abdulmalik (Sousa 69), Ayinde, Rush (Richardson 69).

Unused subs: Coxe, Henry, Clayden.

Star man: Leon Ayinde.

Attendance: 1,056.

Gateshead **0-3** Boreham Wood

Brunt (5, 76), Booty (90+3)

Saturday 22 November 2025, 15:00

Enterprise National League

Boreham Wood secured their first-ever victory at the Gateshead International Stadium with an outstanding 3-0 win over Gateshead, despite playing for more than an hour with ten men.

Luke Garrard's side made a bright start and took an early lead when Zak Brunt converted from the penalty spot after Charlie O'Connell was fouled. Wood continued to create chances throughout the opening period and could have extended their advantage before Joe Newton was shown a straight red card on 35 minutes.

The sending-off shifted the momentum in Gateshead's favour, with the hosts enjoying long spells of possession and creating several opportunities before and after half-time. However, Boreham Wood's defence held firm under sustained pressure, repelling everything Gateshead threw at them. Despite being a man down, Wood continued to pose a threat on the counter-attack and remained dangerous whenever they broke forward.

Boreham Wood made their resilience count on 75 minutes when Brunt finished superbly to double the lead following an excellent move involving Erico Sousa, Regan Booty and Matt Rush. The second goal took the wind out of Gateshead's sails, and deep into injury time substitute Booty marked his debut in spectacular fashion, chipping the goalkeeper from inside his own half to seal a memorable victory. It capped an excellent afternoon for Luke Garrard's men, who combined defensive grit with clinical finishing to secure all three points.

Boreham Wood (4-2-3-1): Ashmore, King (Coxe 88), Newton, Reynolds, Bush, O'Connell, Brunt (Payne 88), White, Abdulmalik (Booty 51), Sousa, Rush.

Unused subs: Benton, Clayden, Norris, Richardson.

Classic campaigns: Gateshead

Football historian **Leigh Edwards** selects ten post-war Gateshead 'Classic Campaigns'

1952/53

Gateshead reached the FA Cup sixth round for the only time in 1952/53. Bill Tulip's side beat Crewe Alexandra and Bradford PA before Ian Winters' goal clinched an epic 1-0 third round win at home to Liverpool, then won at Hull City and Plymouth before losing 1-0 to eventual finalists Bolton watched by 17,692 at Redheugh Park. Gateshead were the North-East's last survivors in the FA Cup that season. George Wilbert was top scorer and the two Callander brothers, Jack and Tom, both ever-present as Gateshead finished a disappointing ninth in the Third Division (North) despite hammering Crewe 6-1 and slamming five goals past Darlington and Accrington.

1982/83

Gateshead won the Northern Premier League title with a club record 100 points in 1982/83. Ray Wilkie's side included skipper Terry Hibbitt, goalkeeper 'Player of the Year' Kenny Dodds, Steve Higgins, Gordon Hindson, Kevin Pugh and strikers Jim Pearson and Bob Topping who scored 47 of Gateshead's 114 Northern Premier League goals between them. Gateshead trounced Netherfield 8-0, both Goole and Worksop 6-0 and Matlock, Oswestry and Tamworth 5-0. They emerged from the pack around Christmas when they started catching up with the games in hand and finished 16 points clear of runners-up Mossley, losing just once at home, 2-1 to Chorley.

1985/86

Gateshead were Northern Premier League champions in 1985/86. They began with a 2-0 win at Witton and lost just one of their first ten games. Injury and loss of form caused a mid-season slump during which they suffered their only two home defeats, against Macclesfield and Workington. They were rocked when chairman/manager Ray Wilkie quit in March to take charge of Barrow but, inspired by Ian Donaldson, Gateshead lost just three of their last 17 games, gaining a 4-2 win at home to Morecambe. They pipped Marine to the title with a 3-2 victory at Rhyl in their final match. Keith McNall was top scorer with 23 goals, while Simon Smith was ever-present.

1989/90

Gateshead went close to the Northern Premier League 'double' in 1989/90. Despite an early 3-2 victory over eventual champions Colne Dynamoes, Dave Parnaby's side were just above mid-table at Christmas, but won 11 of their last 15 games, losing just once. They finished runners-up after a 3-1 win at South Liverpool on the final day and regained Conference status after Colne were denied promotion by ground grading. Gateshead were also League Cup finalists for the first time but lost 1-0 to Hyde United at Maine Road. Simon Smith and Gary Hays were ever-present, while other key players included Derek Bell, Paul Doolan, Bobby Hulse and Keith McNall.

2007/08

Gateshead won the Northern Premier League play-off final in 2007/08. Ian Bogie's side began with six straight wins and remained in the leading pack throughout the season, despite three successive defeats, completing the 'double' over eventual champions Fleetwood Town. They finished third behind Fleetwood and Witton Albion after winning nine of their last ten unbeaten matches, scoring 29 goals and conceding just two in the process. Gateshead beat Eastwood Town 4-1 in the play-off semi-final, then clinched promotion with a 2-0 play-off final victory over Buxton. Leading marksman Graeme Armstrong and David Southern netted 39 goals between them.

2008/09

Gateshead won the Conference North play-off final in 2008/09. The Tynesiders were mid-table before Lee Novak's four-minute hat-trick in a 5-2 victory at Hyde United in early November sparked a marvellous run of 14 wins in 17 games. They trounced Hyde 6-3, Tamworth 5-1 and Hinckley United 5-1 and were top at the start of March but finished runners-up, five points behind Tamworth, after losing three of their last nine matches. Ian Bogie's side defeated Southport 2-1 on aggregate in the play-off semi-final, then secured promotion with a 1-0 play-off final win over Telford United. Top scorer Lee Novak and Graeme Armstrong netted 48 goals overall.

2013/14

Gateshead reached the Conference National play-off final in 2013/14. The Tynesiders lost their opening four matches and Gary Mills replaced Anthony Smith as manager in early September. They climbed the table with just two defeats in 11 games and took Oxford United to an FA Cup first round replay. Gateshead lost only twice after Christmas and qualified for the play-offs in third place. They beat Grimsby Town 4-2 in the semi-finals, with late goals from James Marwood and JJ O'Donnell in the second-leg, but lost 2-1 to Cambridge United in the Wembley final. Marcus Maddison joined Peterborough United for a club record £250,000 that summer.

2021/22

Gateshead stormed to the Conference North title in 2021/22. They won 29 of their 42 games and lost only twice at home under player-boss Mike Williamson. Leading marksman Macaulay Langstaff and Cedwyn Scott netted 52 goals between them as Gateshead were the highest scorers with 99 goals. The Tynesiders gained 94 points, finishing seven ahead of runners-up Brackley Town. They beat Bradford (Park Avenue) 6-2, Runcorn Linnets 3-2, Marske United 3-2 after a 0-0 draw and Altrincham 3-2 after a 2-2 draw to reach the FA Cup second round proper, losing 2-0 to Charlton Athletic in a televised

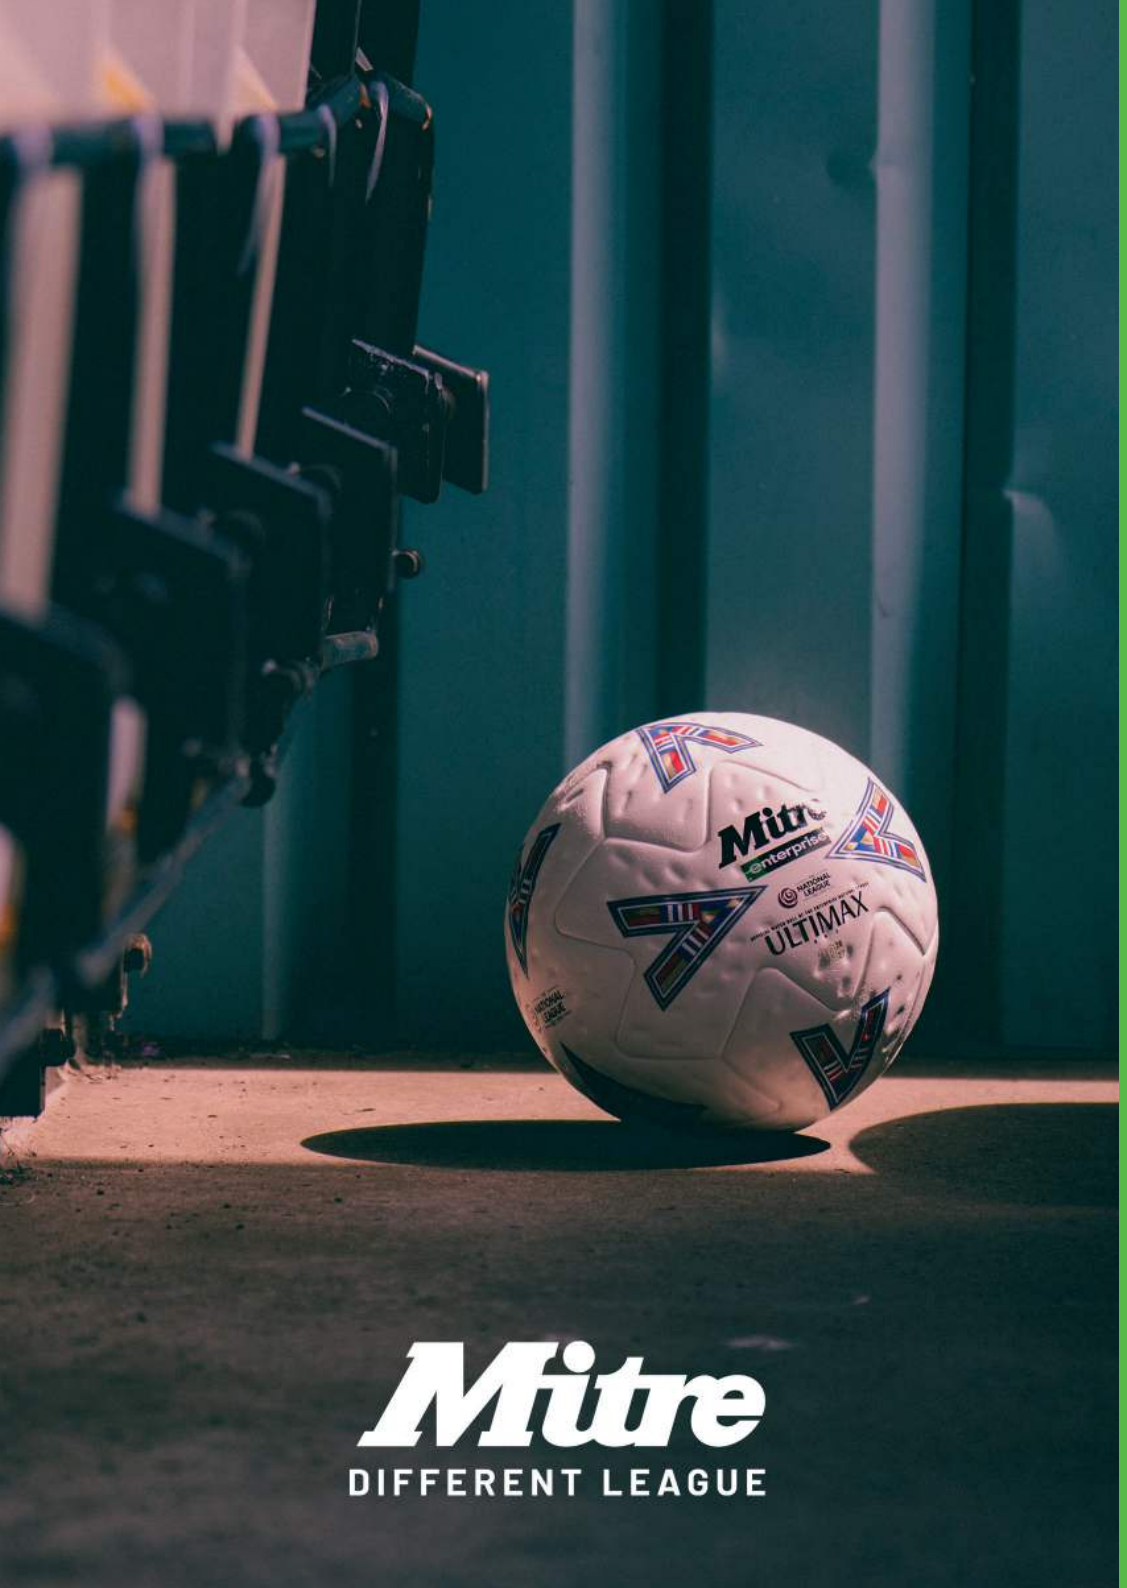

match watched by 3,746 at the International Stadium.

2022/23

Gateshead reached the FA Trophy final for the first time in 2022/23. Mike Williamson's side beat Gloucester City 5-1, Oldham Athletic 3-1, Banbury United 1-0, Farsley Celtic 4-2 on penalties after a 0-0 draw and Barnet 4-1 on penalties after a 3-3 draw to reach the FA Trophy final. The following team lost 1-0 to FC Halifax Town at Wembley Stadium: James Montgomery, Robbie Tinkler, Kenton Richardson (Will Harris), Louis Storey, Carl Magnay, Kamil Conteh, Owen Bailey, Greg Olley, Adam Campbell, Dan Ward, Aaron Martin (Oli Thompson). The Tynesiders finished a lowly 14th in the Conference National despite winning eight of their final 11 games.

2023/24

Gateshead won the FA Trophy for the first time in 2023/24. Mike Williamson moved to MK Dons in October 2023 and Rob Elliot became manager. They beat Rochdale 5-1, Weston-Super-Mare 4-3 on penalties after a 2-2 draw, Hereford 1-0, Peterborough Sports 3-2 and Macclesfield 2-1 to reach the FA Trophy final again. The following team beat Solihull Moors 5-4 on penalties after a 2-2 draw at Wembley Stadium: James Montgomery, Ed Francis, Robbie Tinkler, Joe Grayson, Kenton Richardson (Tom Allan), Callum Whelan (Kieron Evans), Regan Booty, Greg Olley, Luke Hannant (Louis Storey), Ben Worman (Marcus Dinanga), Dajaune Brown.
