Tonight, we welcome Truro City to the Mangata Pay UK stadium. May I wish their Directors, Manager, players and supporters an enjoyable time with us and a safe journey home later.

Well, it's been another frustrating 10 days for the club since we exited the FA Cup on penalties against Leyton Orient - that was after deservedly dragging ourselves back from 2 down to 2-2, then scoring a "goal" in injury time to win it, but having it chalked off for offside.

The dressing room response since that cup tie has again been very mixed with a win against Farnborough and then a disastrous loss away to Aveley, who sat bottom at the time we played them.

This evening will be another strong indicator regarding peoples' attitude, discipline, desire and character, as we entertain a very good Truro side in a game that will test our resolve.

As an aside, I explained in my last notes about my plans to build the South End of the ground over the next few years. I hope to achieve the near impossible and start and finish the first two phases of the away end of the stadium by August 2026.

These plans will involve intensive talks with my architect, contractors, Hertsmere Borough Council, residents and all stakeholders - if I'm correct it will be a three phased affair but in my opinion they will happen.

As such, I must now produce realistic plans with the detail incorporated and with everything fully costed. In truth I must also be financially sure in what I'm doing as it will take huge investment on my side to give our supporters a completed stadium and, as I said, this will need a three phased approach, with a full planning application completed sometime in the early spring of 2025.

Regarding my short-term plans on the football side, it was very simple, we needed promotion, promotion, promotion and everyone knew this. This squad in truth hasn't shown anywhere near the desire or consistency required to remotely achieve that.

As such, our crowd averages have plummeted and a return to part time football for this club gets ever closer. That would genuinely break my heart but nobody should be surprised by that statement, as we are at present a very average National South team, and our crowds have dropped off a cliff this season.

NO club owner should be expected to maintain a top budget to remain full time at this level, with a dressing room that seemingly lacks desire and commitment, and on crowd averages of less than 750, while losing hundreds of thousands of pounds.

I have shown the home average league attendances in these notes, and you can see that if league placings were based on average home attendances, we would at present be in a relegation place..... "so your honour I rest my case".

I've done my very best for the last two seasons to support this squad and I don't think anyone can question my loyalty to this dressing room.

I hope both players and staff alike read what I'm writing and understand exactly what I'm saying as it will not change, but it does affect everything in my life, including my own footballing ambition which still burns brightly.

I'm hoping my honesty and transparency in these recent programme notes provokes conversation and perhaps even gets a positive reaction from both staff and players, but until now the dressing room have shown me they are a win one, draw one, lose one group and that doesn't look like changing anytime soon.

I hope people think seriously about what they actually expect from me and our local football club going forward. I hope my notes really do concentrate peoples' minds and I'm hoping this very talented and expensively put together dressing room, and our loyal 'old school' supporters (who I adore), know it's now you not me, who hold the key to our clubs' full-time future - it's in your hands.

That statement does bring a time pressure on us all to succeed, but pressure must be embraced if we want success. Pressure must be enjoyed if we want league titles and a season is not just about magic moments in the cup.

If we really do want sustained success, then that has to be aligned with attitude, discipline, desire and good performances on the pitch. These are the only things that will improve attendances and at present we are nowhere near good enough or anywhere close to being successful.

Trust me, our club, staff and dressing room are well backed financially, it is also cared for and loved, but at present it's full of unfulfilled talent and some weak individuals.

The budget is a great budget for this division, our training facilities are top class, our infra-structures are built and our work force is in place......there really are no more excuses that I can stomach, because for many years we have eaten, trained and travelled like all good professional football clubs should.

In all honesty we've had squads here that were nowhere near as talented as this dressing room - but they would overrun this lot, simply through their desire, their togetherness and their work rate alone.

In truth for the rest of this season, we're going to see if we have the focus, motivation, character, attitude, discipline and desire on top of our undoubted ability to even try and get back to the National League this season, because at present that looks a long way off.

Whoever you support, let's hope for an open, attacking game and may the best team win.

Take care.

Together, we'll craft something extraordinary.

Good Evening, firstly I would like to welcome John Askey and his Staff and Players to The Mangata Pay Uk Stadium for tonight's National South Fixture

Truro have started the campaign great and find themselves joint top, and will no doubt want to continue their early season form with another positive result on the road.

We return to Meadow Park this evening after a poor result away to Aveley on Saturday, the manner in which we performed and conceded has epitomised our season to date.

Far too easy for sides to cut through us, I've seen it first hand and have watched in previous fixtures so many similarities to how we are being hurt and we have addressed it, worked on it yet it continues to happen.

The issue I have is this group is talented, has experience and quality in abundance. Yet every other week we are falling way below our standards.

The inconsistency will be a huge problem for our progression, when we look like we are turning a corner and start to see a level of performance to warrant a run we then go and serve up what we did on Saturday.

To achieve anything in football and win things you need everyone PUTTING IN, AND TAKING NOTHING OUT and at the minutes that's not the case.

There is not enough selflessness in the group and far too many thinking about themselves.

We have a squad here that most definitely can achieve something, but like I keep telling them they must find it within themselves to go above and beyond to outwork, outrun and compete more than any side we face.

We are a professional side in this division, having more contact time, sessions, gym, recovery then most and that needs to start showing in our displays.

We shouldn't be getting over run in the latter stages of games, that purely comes down to a willingness and attitude towards your teammates and your work.

We need a group of players to appreciate what they have, appreciate the position we are in, and start to appreciate giving their all.

It's only going to be US to get out of this and start climbing the table and if people don't want to do the hard yards they need to move on as we need everyone on board to turn our season around.

Look forward to seeing you all, get behind us and

Enjoy the game

Luke

lan Allinson's team endured a nightmare in Cornwall, losing both their unbeaten record and their discipline in a chaotic match that ended with just eight Wood players on the field.

The game started with promise as loan signing Mauro Vilhete, back from Barnet, showed his skill and created early chances. However, Wood's control slipped after a quick counterattack led to Truro's opening goal.

The turning point came just before halftime when a rash challenge by Ben Nunn led to a heated confrontation. Nunn, Charlie O'Loughlin, and Truro's Jake Ash were all sent off, leaving Wood with nine players. Despite battling hard, they conceded again after Truro used their extra player to full advantage. The game concluded in disarray as Luke Garrard received a late red card for violent conduct, capping a bitter afternoon for Wood in Rattler country.

Boreham Wood triumphed 3-1 over Farnborough in a thrilling game.

The Wood opened the scoring in the eighth minute when a Lee Ndlovu cross deflected off Farnborough's Taylor Clark for an own goal and Junior Dixon would double the lead soon after with a deflected shot. Farnborough responded quickly as Richard Chin scored a fierce strike past Nathan Ashmore, and they continued to press with several dangerous efforts, but Wood's defence held firm to lead 2-1 at halftime.

Farnborough dominated possession early in the second half, but Luke Garrard's men regained control when Charles Clayden's free kick found the net in the 57th minute, surprising Boro keeper, Jack Turner. The third goal dampened Farnborough's momentum, and the Wood managed the final stages comfortably, final stages which saw close attempts by Richardson and Appiah.

The Wood suffered a narrow 1-0 loss to the Millers, missing several key opportunities and having appeals for a potential penalty waved away.

Luke Garrard's men started on the front foot, with early pressure leading to close chances from Jayden Richardson and Kwesi Appiah, whose header was saved by Aveley's Bloedorn. Despite continuous attacks, including a penalty appeal for Richardson, the first half ended goalless.

In the 52nd minute, Aveley's David Kawa capitalised with a goal past Nathan Ashmore. Boreham Wood pushed for an equaliser, with close attempts from Charlie O'Connell and Mo Sagaf, while Ashmore's impressive saves kept the scoreline in reach. In added time, Boreham Wood almost leveled with Lee Ndlovu's close-range shot and Kwesi Appiah's blocked effort in the final seconds. Ultimately, the Wood's persistence fell short and, ultimately, the trip to Essex ended in a frustrating defeat.

BARTLETT NAMED MANAGER OF THE MONTH

Scott Bartlett has been awarded the Vanarama National League South Manager of the Month for October.

His team remained unbeaten throughout October across all competitions, with league victories over Welling United, Salisbury, and Aveley, as well as a draw with Boreham Wood. In cup play, they triumphed over Chippenham Town and Lowestoft in the FA Cup and defeated Keynsham in the Somerset Premier Cup. Reflecting on the honor, Bartlett said, "Going unbeaten through September and October is a fantastic achievement. The players give everything, and with incredible support from our staff, board, and fans, this award is a wonderful recognition for them."

RETURN OF A TITLE-WINNER

Weymouth have re-signed former captain Jake McCarthy from Poole Town as part of a swap deal that sees fan-favourite Ezio Touray leave for Poole.

McCarthy, who led Weymouth to the National League in the 2019/20 season with 10 goals and seven assists, returns on a two-season deal, committing to the club until 2025/26. Touray departs after scoring 17 goals in 55 appearances, leaving lasting memories with fans. Additionally, Wycombe Wanderers loanees Christie Ward and Jaiden Bartolo will stay with Weymouth until January. Bartolo recently scored his first goal and has been called up to Gibraltar's national team.

MARATHON MAN

Bath City manager, Jerry Gill completed a challenging "5k Per Day" run in October, raising nearly £1,500 for Prostate Cancer UK.

Covering 155 km, Gill balanced the runs with away games, including a latenight session after a match at Hornchurch. Reflecting on the struggle, Gill shared, "I was exhausted, but determined to finish." Inspired by his late uncle and Bath City fans, he aims to raise awareness, noting that prostate cancer affects one in eight men. Gill hopes his efforts will fund crucial research for a disease that claims a life every 45 minutes.

COMMUNITY TRUST LAUNCH YOUTH GOALKEEPER TRAINING

The Boreham Wood Community Trust is thrilled to announce the launch of weekly goalkeeping training following the upcoming October half term, beginning on Friday 8 November.

These specialist sessions will be hosted by Boreham Wood FC's First Team Goalkeeping Coach Jordan Kelly, who is a UEFA B qualified goalkeeping coach. Jordan arrived at Boreham Wood in the summer from his native Guernsey where he worked across all ages from under 7's up to senior football, as well as working within the Guernsey national team set-up.

Just like our other weekly training sessions, these sessions will be structured to improve budding goalkeepers in all areas of the specialist position, such as handling, positioning, techniques, save types and distribution, to name just a few.

Session topics will include, but are not limited to basic handling, positioning, 1-on-1's, defending crosses, diving, in-possession distribution, save types, communication, decision making and match scenario practice.

Sessions will take place weekly during the school term, every Friday from 17:30 to 19:00 for 7–14 year-olds.
